<ANNEX III> [For referral procedures]

SUMMARY OF PRODUCT CHARACTERISTICS,
LABELLING AND PACKAGE LEAFLET
SUMMARY OF PRODUCT CHARACTERISTICS
This medicinal product is subject to additional monitoring. This will allow quick identification of new safety information. Healthcare professionals are asked to report any suspected adverse reactions. See section 4.8 for how to report adverse reactions. [For medicinal products subject to additional monitoring ONLY]

1. NAME OF THE MEDICINAL PRODUCT

(Invented) name strength pharmaceutical form>

(Invented) name and associated names (see Annex I) strength pharmaceutical form>

[See Annex I - To be completed nationally] [For referral procedures]

2. QUALITATIVE AND QUANTITATIVE COMPOSITION

Excipient(s) with known effect>

For the full list of excipients, see section 6.1.>

[To be completed nationally] [For referral procedures, as appropriate]

3. PHARMACEUTICAL FORM

[To be completed nationally]

The score line is only to facilitate breaking for ease of swallowing and not to divide into equal doses.>

The score line is not intended for breaking the tablet.>

The tablet can be divided into equal doses.>

4. CLINICAL PARTICULARS

4.1 Therapeutic indications

This medicinal product is for diagnostic use only.>

{X} is indicated in adults, neonates, infants, children, adolescents, aged {x to y} years, months.>

4.2 Posology and method of administration

Posology

Paediatric population

The safety and efficacy of {X} in children aged {x to y} months years [or any other relevant subsets, e.g. weight, pubertal age, gender] has not yet been established.>

No data are available.> Currently available data are described in section 4.8, 5.1, 5.2 but no recommendation on a posology can be made.>

{X} should not be used in children aged {x to y} years, months [or any other relevant subsets, e.g. weight, pubertal age, gender] because of safety efficacy concern(s).>

There is no relevant use of {X} in the paediatric population in children aged {x to y} years, months [or any other relevant subsets, e.g. weight, pubertal age, gender] for the indication of...>
Method of administration

<Precautions to be taken before handling or administering the medicinal product>
<For instructions on reconstitution dilution of the medicinal product before administration, see section 6.6 and 12.>

4.3 Contraindications

<Hypersensitivity to the active substance(s) or to any of the excipients listed in section 6.1 or {name of the residue(s)}.>

4.4 Special warnings and precautions for use

<Traceability>
In order to improve the traceability of biological medicinal products, the name and the batch number of the administered product should be clearly recorded.

<Paediatric population>

4.5 Interaction with other medicinal products and other forms of interaction

<No interaction studies have been performed.>

<Paediatric population>

<Interaction studies have only been performed in adults.>

4.6 Fertility, pregnancy and lactation

<Pregnancy>
<Breastfeeding>
<Fertility>

4.7 Effects on ability to drive and use machines

<{(Invented) name} has no or negligible influence minor influence moderate influence major influence on the ability to drive and use machines.>
<Not relevant.>

4.8 Undesirable effects

<Paediatric population>

Reporting of suspected adverse reactions
Reporting suspected adverse reactions after authorisation of the medicinal product is important. It allows continued monitoring of the benefit/risk balance of the medicinal product. Healthcare professionals are asked to report any suspected adverse reactions via the national reporting system listed in Appendix V.

[*For the printed material, and national translations:
For MRP and DCP procedures: The actual details of the national reporting system (as listed in Appendix V) of the concerned Member State(s) shall be displayed on the printed version and may also be displayed in the electronic national translation, published or not published. No reference to Appendix V should be provided in the national translation.]*
be included in the printed materials. Linguistic adjustments may also be necessary depending on the grammatical rules of the languages used. For referral procedures: Please refer to the guidance in the annotated QRD template for centralised procedures.]

4.9 Overdose

<Paediatric population>

5. PHARMACOLOGICAL PROPERTIES

5.1 Pharmacodynamic properties

Pharmacotherapeutic group: {group}, ATC code: <{code}> not yet assigned

<{(Invented) name}> is a biosimilar medicinal product. Detailed information is available on the website of {name of Member State/Agency}>

<Mechanism of action>
Pharmacodynamic effects>
Clinical efficacy and safety>
Paediatric population>

The European Medicines Agency has waived the obligation to submit the results of studies with <{(Invented) name}> [or for generics: <the reference medicinal product containing {name of the active substance(s)}> in all subsets of the paediatric population in {condition as per paediatric investigation plan (PIP) decision, for the granted indication} (see section 4.2 for information on paediatric use).>

The European Medicines Agency has deferred the obligation to submit the results of studies with <{(Invented) name}> [or for generics: <the reference medicinal product containing {name of the active substance(s)}> in one or more subsets of the paediatric population in {condition, as per paediatric investigation plan (PIP) decision, for the granted indication} (see section 4.2 for information on paediatric use).>

This medicinal product has been authorised under “Exceptional Circumstances”. This means that <due to the rarity of the disease> <for scientific reasons> <for ethical reasons> it has not been possible to obtain complete information on this medicinal product. {Name of Member State/Agency} will review any new information which may become available every year and this SmPC will be updated as necessary accordingly to the reference medicinal product SmPC.>

5.2 Pharmacokinetic properties

Absorption>
Distribution>
Biotransformation>
Elimination>
Linearity/non-linearity>
5.3 Preclinical safety data

Non-clinical data reveal no special hazard for humans based on conventional studies of safety pharmacology, repeated dose toxicity, genotoxicity, carcinogenic potential, toxicity to reproduction and development.

Effects in non-clinical studies were observed only at exposures considered sufficiently in excess of the maximum human exposure indicating little relevance to clinical use.

Adverse reactions not observed in clinical studies, but seen in animals at exposure levels similar to clinical exposure levels and with possible relevance to clinical use were as follows:

Environmental risk assessment (ERA)

6. PHARMACEUTICAL PARTICULARS

6.1 List of excipients

None.

6.2 Incompatibilities

In the absence of compatibility studies, this medicinal product must not be mixed with other medicinal products.

This medicinal product must not be mixed with other medicinal products except those mentioned in section 6.6.

6.3 Shelf life

6 months <1 year <18 months <2 years <3 years <30 months <3 years

6.4 Special precautions for storage

For storage conditions after reconstitution, dilution, first opening of the medicinal product, see section 6.3.

6.5 Nature and contents of container

Not all pack sizes may be marketed.

6.6 Special precautions for disposal <and other handling>

Use in the paediatric population

No special requirements for disposal.
<Any unused medicinal product or waste material should be disposed of in accordance with local requirements.>

7. MARKETING AUTHORISATION HOLDER

<[To be completed nationally]>  
<[See Annex I - To be completed nationally]> [For referral procedures]  

{Name and address} 
<{tel}> 
<{fax}> 
<{e-mail}>

8. MARKETING AUTHORISATION NUMBER(S)

<[To be completed nationally]>

9. DATE OF FIRST AUTHORISATION/RENEWAL OF THE AUTHORISATION

<Date of first authorisation: {DD month YYYYY}> 
<Date of latest renewal: {DD month YYYYY}> 

<[To be completed nationally]>

10. DATE OF REVISION OF THE TEXT

<{MM/YYYY}> 
<{DD/MM/YYYY}> 
<{DD month YYYYY}> 

<[To be completed nationally]>

11. DOSIMETRY

12. INSTRUCTIONS FOR PREPARATION OF RADIOPHARMACEUTICALS

<Any unused medicinal product or waste material should be disposed of in accordance with local requirements.>

<Detailed information on this medicinal product is available on the website of {name of Member State Agency (link)}>
PARTICULARS TO APPEAR ON <THE OUTER PACKAGING> <AND> <THE IMMEDIATE PACKAGING>

{NATURE/TYPE}

1. NAME OF THE MEDICINAL PRODUCT

<{(Invented) name strength pharmaceutical form}>

<{(Invented) name and associated names (see Annex I) strength pharmaceutical form}>

[{See Annex I - To be completed nationally}] [For referral procedures]

{active substance(s)}

2. STATEMENT OF ACTIVE SUBSTANCE(S)

3. LIST OF EXCIPIENTS

[{To be completed nationally}] [For referral procedures, as appropriate]

4. PHARMACEUTICAL FORM AND CONTENTS

[{To be completed nationally}] [For referral procedures, as appropriate]

5. METHOD AND ROUTE(S) OF ADMINISTRATION

Read the package leaflet before use.

6. SPECIAL WARNING THAT THE MEDICINAL PRODUCT MUST BE STORED OUT OF THE SIGHT AND REACH OF CHILDREN

Keep out of the sight and reach of children.

7. OTHER SPECIAL WARNING(S), IF NECESSARY

8. EXPIRY DATE

9. SPECIAL STORAGE CONDITIONS

[{To be completed nationally}] [For referral procedures, as appropriate]

10. SPECIAL PRECAUTIONS FOR DISPOSAL OF UNUSED MEDICINAL PRODUCTS OR WASTE MATERIALS Derived FROM SUCH MEDICINAL PRODUCTS, IF APPROPRIATE

This medicine is subject to additional monitoring. This will allow quick identification of new safety information. You can help by reporting any side effects you may get. See the end of section 4 for how to report side effects. [For medicinal products subject to additional monitoring ONLY]

<Read all of this leaflet carefully before you start <taking> <using> this medicine because it contains important information for you.
- Keep this leaflet. You may need to read it again.
- If you have any further questions, ask your <doctor> <,> <or> <pharmacist> <or nurse>.
- This medicine has been prescribed for you only. Do not pass it on to others. It may harm them, even if their signs of illness are the same as yours.
- If you get any side effects, talk to your <doctor> <,> <or> <pharmacist> <or nurse>.
- This includes any possible side effects not listed in this leaflet. See section 4.>

<Read all of this leaflet carefully before you start <taking> <using> this medicine because it contains important information for you.
Always <take> <use> this medicine exactly as described in this leaflet or as your <doctor> <,> <or> <pharmacist> <or nurse> <has> <have> told you.
- Keep this leaflet. You may need to read it again.
- Ask your pharmacist if you need more information or advice.
- If you get any side effects, talk to your <doctor> <,> <or> <pharmacist> <or nurse>.
- This includes any possible side effects not listed in this leaflet. See section 4.
- You must talk to a doctor if you do not feel better or if you feel worse <after {number of} days.>

What is in this leaflet
1. What X is and what it is used for
2. What you need to know before you <take> <use> X
3. How to <take> <use> X
4. Possible side effects
5. How to store X
6. Contents of the pack and other information

1. What X is and what it is used for

<You must talk to a doctor if you do not feel better or if you feel worse <after {number of} days.>

2. What you need to know before you <take> <use> X

Do not <take> <use> X
- <if you are allergic to {active substance(s)} or any of the other ingredients of this medicine (listed in section 6).>

Warnings and precautions
Talk to your doctor <or> <,> <pharmacist> <or nurse> before <taking> <using> X.
Children and adolescents

Other medicines and X
<Tell your doctor or pharmacist if you are taking using, have recently taken used or might take use any other medicines.>

X with food and drink and alcohol

Pregnancy and breast-feeding and fertility
<If you are pregnant or breast-feeding, think you may be pregnant or are planning to have a baby, ask your doctor or pharmacist for advice before taking this medicine.>

Driving and using machines
<X contains {name the excipient(s)}>  
<To be completed nationally> [For referral procedures, as appropriate>

3. How to take use X
<Always take use this medicine exactly as your doctor or pharmacist has told you. Check with your doctor or pharmacist if you are not sure.>

<The recommended dose is…>  
<Always take use this medicine exactly as described in this leaflet or as your doctor or pharmacist or have told you. Check with your doctor or pharmacist or nurse if you are not sure.>

<The recommended dose is…>

Use in children and adolescents>
nThe score line is only there to help you break the tablet if you have difficulty swallowing it whole.>
The tablet can be divided into equal doses.>
The score line is not intended for breaking the tablet.>

If you take more X than you should>

If you forget to take use X>
<Do not take a double dose to make up for a forgotten tablet dose…>

If you stop taking using X>
<If you have any further questions on the use of this medicine, ask your doctor or pharmacist or nurse.>

4. Possible side effects

Like all medicines, this medicine can cause side effects, although not everybody gets them.

<Additional side effects in children and adolescents>

Reporting of side effects
If you get any side effects, talk to your doctor or pharmacist or nurse. This includes any possible side effects not listed in this leaflet. You can also report side effects directly via the national
reporting system listed in Appendix V. By reporting side effects you can help provide more information on the safety of this medicine.

[*For the printed material, and national translations:
For MRP and DCP procedures: The actual details of the national reporting system (as listed in Appendix V) of the concerned Member State(s) shall be displayed on the printed version and may also be displayed in the electronic national translation, published or not published. No reference to Appendix V should be included in the printed materials. Linguistic adjustments may also be necessary depending on the grammatical rules of the languages used.
For referral procedures: Please refer to the guidance in the annotated QRD template for centralised procedures.]

5. How to store X

<[To be completed nationally]> [For referral procedures, as appropriate]

Keep this medicine out of the sight and reach of children.

Do not use this medicine after the expiry date which is stated on the <label> <carton> <bottle> <...> <after {abbreviation used for expiry date}.> <The expiry date refers to the last day of that month.>

<Do not use this medicine if you notice {description of the visible signs of deterioration}.>

<Do not throw away any medicines via wastewater <or household waste>. Ask your pharmacist how to throw away medicines you no longer use. These measures will help protect the environment.>

6. Contents of the pack and other information

What X contains

- The active substance(s) is (are)…
- The other <ingredient(s)> <(excipient(s))> is (are)...
  <[To be completed nationally]> [For referral procedures, as appropriate]
