Transparency and publication

Please note the European Medicines Agency is committed to the fundamental principle of transparency of public administration. Art. 15(1) of the Treaty on the Functioning of the European Union states that "In order to promote good governance and ensure the participation of civil society, the Union institutions, bodies, offices and agencies shall conduct their work as openly as possible". By attending this meeting, event or recording at the Agency, you consent to filming and sound recording of yourself as a participant and the processing of data related to this purpose. The European Medicines Agency may use such films and recordings (including any copies) on its websites and make them publicly available free of charge in the interests of transparency and public information."

The presentations will be videoed for a webinar broadcast, compilation of transcripts and development of the report. The videos will be released publically following editing. The presentation slide set will be published on the EMA website.

Replacements attendees: can be accepted up to 48 hours in advance of the meeting.
