Dear Mr Pott,

Many thanks for your letter EMA/730003/2015. I acknowledge receipt and confirm that we accept the modalities and conditions detailed in the letter for the transfer of data between the EMA and the UMC.

I would also like to thank you for the collaboration we had with the EMA in preparation of these modalities and conditions, and I look now forward to finalising the technical implementation and further collaborating in the future.

With best regards,

Uppsala Monitoring Centre
