

PERSONAL INFORMATION

Giuseppina Ialongo

WORK EXPERIENCE

January 2006- Present

GMP Inspector and Assessor

AIFA (Italian Medicines Agency) (Italy)

Inspector of active pharmaceutical ingredients at manufacturing sites in Italy to verify compliance with Good Manufacturing Practice (GMP) of manufacturers and importers of active substances, and dossier compliance in the framework of Italian law; draft/edit inspection reports; follow-up of inspections.

Co-inspector of active substances at non-EU plant manufactures APIs used in medicines marketed in Italy.

Technical assessment of registration and authorization to production of active substances
Scientific Advice expert

January 2004-December 2005

Quality Control Manager

ALFA-INTES srl-Pharmaceutical Industry (Italy)

Responsible for approving or rejecting, as he sees fit, starting materials, packaging materials, intermediate, bulk and finished products; ensuring the qualification and maintenance of his department, premises and equipment; ensuring that the appropriate validations are done; ensuring that the required initial and continuing training of his department personnel

November 2001-December 2003

GMP Inspector and Assessor

Italian Ministry of Health (Italy)

Inspector of active pharmaceutical ingredients manufacturing sites in Italy to ensure GMP and dossier compliance in the framework of Italian law; draft/edit inspection reports; follow-up of inspections. Evaluation of CTD of active pharmaceutical ingredients
Inspector of active pharmaceutical ingredients manufacturing sites in Italy to ensure GMP and dossier compliance in the framework of Italian law; draft/edit inspection reports; follow-up of inspections. Evaluation of CTD of active pharmaceutical ingredients

January 1997-December 2000

Scientific collaboration

Università degli Studi di Napoli (Italy)

Technical support GC, NMR, GC/MS analysis decomposition analysis of pesticides and biooili

January 1995-December 1996

Researcher

I.Co.C.E A. CNR (Italy)

Scientific collaboration

EDUCATION AND TRAINING

December 1993-

Degree in chemistry

Università Degli Studi di Napoli (Italy)

Experimental thesis entitled: "synthesis and reactions of ring-opening of Bicyclo [2.2.0] Functionalized esani

January 2011-January 2013

Master II livello

UNIVERSITÀ DEGLI STUDI LA SAPIENZA - ROMA ()

thesis entitled: Science and technology of Radiopharmaceuticals

ADDITIONAL INFORMATION

Expertise

Assessor and GMP Inspector

Chromatographic Techniques: NMR, IR, GC, GC/MS, HPLC, Flash Chromatography, obtained from the organic chemistry laboratory of the University of Naples "Federico II" and at the organic chemistry laboratory of the Institute ICOCEA-CNR BOLOGNA

Software application Usage: writing of text and graphics, use and Knowledge of computer systems: Office 241 "and" Workflow "
