**ADDITIONAL INFORMATION**

- 
- Expertise** Medicine, MD; I annually attend courses related to pharmacovigilance topics, mainly ADR assessments as this is my field of work.
- Publications** I am an author of some articles related to PhV and promotion of web based on line ADR reporting form in Slovenia
- Projects**
- Memberships** Since September 2009 till May 2012 I was an alternate member of PhVWP at EMA, since July 2018 I am an alternate member of PRAC at EMA.
- Other Relevant Information** During the studies I participated training courses on Emergency medicine, Nephrology and Pulmonary diseases in children. Since 2009 I participated assessors trainings (including EVDAS, electronic reporting of ICSRs in the ISO/ICH E2B(R3) format ect.) organized by EMA and other trainings (DIA, DSRU) focused mainly on medical assessment of ICSRs, signal detection, proactive pharmacovigilance and risk management. In 2015/2016 I took action as an active promoter of ADR reporting at different medical and pharmaceutical events in Slovenia.
