IMI_TRANSQST. I am participating in the Ethics Advisors Group in this project on Translational Quantitative Systems Toxicology. I am not contributing to the research as such, but only to the discussion in their regular meetings. Started October 2017 HESI I am participating in Research Projects of HESI Global Branch. I have been co_chair of a research project on CT_TRACS, subcommittee Tumorigenicity, which project is enabled by support of several pharmaceutical companies and public institutions. No direct advice to pharmaceutical companies is given. A public report is being published in 2019. I am also participating in a research project of the eSTAR project relating genomics and carcinogenicity. This project has been started in 2019. Several pharmaceutical companies as well as other regulatory agencies (Health Canada, US EPA) take part in this project by contributing expertise and financial support in general funding of the committee activities. No individual company is responsible for this. European Partnership for Alternatives for Animal testing (EPAA) I am contributing to a project on preparing a database of Carcinogenicity Studies for biocides. This project, driven by the National Institute for Public Health and the Environment, Bilthoven, The Netherlands (Dr. M. Luiten) is supported with funding by CEFIC (European Chemical Industry Council), not by a single pharmaceutical company. The project is started in October 2017 EU_Tox_RISK. Program funded by Horizon2020, lead by Prof. dr. Bob van de Water. Member of the Scientific Advisory Board as a regulator. Kick_off in Januari 2016.

CONFIDENTIALITY UNDERTAKING

In view of the following definitions:

"EMA Activities" encompass any meeting (including meeting preparation and follow-up, associated discussion or any other related activity) of the European Medicines Agency's Management Board, Committees, Working Parties, Expert Groups, or any other such meeting; work as an expert on assessments; work as an expert on guidance development.

"Confidential Information" means all information, facts, data and any other matters of which I acquire knowledge, either directly or indirectly, as a result of my EMA Activities.

"Confidential Documents" mean all drafts, preparatory information, documents and any other material, together with any information contained therein, to which I have access, either directly or indirectly, as a result of my participation in EMA Activities. Furthermore, any records or notes made by me relating to Confidential Information or Confidential Documents shall be treated as Confidential Documents.

I understand that I may be invited to participate either directly or indirectly in certain EMA activities and hereby undertake:

- To treat all Confidential Information and Confidential Documents under conditions of strict confidentiality as long as the information or document has not been made public/is not in the public domain.

- Not to disclose (or authorise any other person to disclose) in any way to any third party ¹ any Confidential Information or Confidential Document.
- Not to use (or authorise any other person to use) any Confidential Information or Confidential Document other than for the purposes of my work in connection with EMA activities.
- To dispose of Confidential Documents as confidential material as soon as I have no further use for them.
- When expressing views to indicate clearly that the views are my own if acting in my own capacity or those of the EMA, Management Board, Committee, Working Party, Expert Group or other group if acting on behalf of that group.
- Not to disclose any commercially confidential information.

This undertaking shall not be limited in time, but shall not apply to any document or information that I can reasonably prove was known to me before the date of this undertaking or which becomes public knowledge other than as a result of a breach of any of the above undertakings.

I confirm the information declared on this form is accurate and complete to the best of my knowledge and I acknowledge that my information will be stored electronically and published on the EMA website.

1. Third party does not include employees of the National Competent Authorities who either have employment contracts that provide confidentiality obligations or are encompassed by confidentiality obligations under national legislation on professional secrecy.
