

PERSONAL INFORMATION

Aleksandar Knezevic

WORK EXPERIENCE

- July 2021- Present **consultant in outpatient clinic of cardiology**
General Hospital Sibenik (Croatia)
Work with patients in outpatient clinic. Performing non-invasive cardiology testings.
- September 2009-September 2019 **Assistant Professor of Pharmacology**
University of Zadar (Croatia)
Teaching pharmacology to nurses on the Health studies of Zadar University
- February 1991-June 2021 **Physician on the Department of Cardiology**
General Hospital Zadar (Croatia)
Consultant in internal medicine, cardiology and clinical pharmacology. Work with patients on ward and outpatient clinic. Performing non-invasive cardiology testings and clinical trials. Head of hospital Drug Committee.
- October 1982-September 1984 **Physician on the Department of Internal Medicine**
General Hospital Zadar (Croatia)
Work with patients on ward.
- October 1979-September 1982 **Physician on the Department of Emergency**
Medical Centre Zadar (Croatia)
Work with patients on outpatient clinic
- October 1977-September 1979 **Physician on intership**
Medical Centre Zadar (Croatia)
Work with patients

EDUCATION AND TRAINING

- July 1988-February 1991 **Board Certified Internist**
Clinical Hospital Centre Zagreb (Croatia)
Comprehensive experience in clinical practice (cardiology, gastroenterology, endocrinology, haematology-oncology,nephrology, immunology, neurology)
- October 1984-June 1988 **Board Certified Clinical Pharmacologist**
Clinical Hospital Centre Zagreb (Croatia)
Work with patients on ward and outpatient clinic.
Design of study protocols for randomized double-blind controlled trials of various drugs.Experience in on-site monitoring, auditing and complete administrative follow-up of clinical trials. Good knowledge of the principles of Good Clinical Practice and conduct of clinical studies in accordance with the EC and FDA guidelines. Design and conduct of bioequivalence trials of a single or multiple dose,cross-over oral bioavailability study.Reviewing of New Applications and Marketing Authorisation Applications for Croatian Ministry of Health.Experience in drug regulatory affairs. Writing critical expert reports on the efficacy and safety of drugs.Experience in medical writing, particularly critical reviews of the drug field.Analysis of drug utilization in various Departments of the University Hospital Centre, Zagreb. Leading seminars and lectures for medical students in the field of Clinical Pharmacology. Analysis and processing of adverse drug reactions reports.
- October 1984-June 1986 **Specialist in Clinical Pharmacology**
Medical Faculty Zagreb (Croatia)
Principles of basic and clinical pharmacology.
