

Curriculum Vitae

Personal information **Marie-Laure Veyries**

Work experience

1. Employer: ANSM
 - Start date: 102021
 - End date:
 - Position: Head of the Medicines Quality Defects and Shortage Division
 - Activities:
 - Country: France
2. Employer: ANSM
 - Start date: 062018
 - End date: 092021
 - Position: Center for support and coordination of emergencies, health alerts and risks management (ANSM _ Directorate General)
 - Activities:
 - Country: France
3. Employer: ANSM
 - Start date: 032017
 - End date: 062018
 - Position: Signal management assessor (ANSM _ Surveillance Department)
 - Activities: detection of signals, development of action and risk management, development and implementation of dedicated processes
 - Country: France
4. Employer: ANSM
 - Start date: 012015
 - End date: 022017
 - Position: Referent for scientific information and off_label use (ANSM _ Surveillance Department)
 - Activities:
 - Country: France
5. Employer: ANSM
 - Start date: 012012
 - End date: 122014
 - Position: Scientific Information Officer (ANSM _ Surveillance Department)
 - Activities:
 - Country: France
6. Employer: ANSM
 - Start date: 012009
 - End date: 122012
 - Position: Information and proper use of medicines assessor (Afssaps _ Evaluation and risk monitoring, and drug information)
 - Activities:
 - Country: France
7. Employer: Afssaps
 - Start date: 102002
 - End date: 122008
 - Position: Pharmaco_toxico_clinical evaluator (Afssaps _ Direction of medicines and products biological)
 - Activities:
 - Country: France
8. Employer: Afssaps
 - Start date: 092000
 - End date: 092002
 - Position: Evaluator Transparency Unit (Afssaps _ Department of Medico_economic Studies and scientific information)
 - Activities:
 - Country: France

Education and training

1. Subject: Paris XI University
 - Start date: 091985
 - End date: 022017
 - Qualification: Doctorate in Pharmacy, very honorable mention with written congratulations from the jury
 - Organisation:
 - Country: France
2. Subject: EHESP
 - Start date: 092020
 - End date: 112021
 - Qualification: Management of exceptional health situations (SSE) and crisis
 - Organisation:
 - Country: France
3. Subject: CNAM

- Start date: 012019
 - End date: 062019
 - Qualification: UE Management of crises and urgent and exceptional situations in health security
 - Organisation:
 - Country: France
4. Subject: (University of Bordeaux, University of Hertfordshire, Universiteit Utrecht, Erasmus Universitair Medisch Centrum Rotterdam, Universitat Autònoma de Barcelona, Università di Verona)
- Start date:
 - End date:
 - Qualification: Master 2 Eu2P (European program in Pharmacovigilance and Pharmaco_epidemiology)
 - Organisation: Specialties "Medicines and public health" and "Medicines risk communication"
 - Passed with honor Internship within the Epidemiology of Health Products Division of the ANSM: Research topic "Study on compliance with the pregnancy test recommendations of the pregnancy prevention program oral isotretinoin pregnancies in France"
 - Country:

Additional information

Publications

Written communications Reports: risks associated with practices for weight loss, compliance with the recommendations of the oral isotretinoin pregnancy prevention program in France, methylphenidate, anticoagulants, levothyroxine; Guidelines: Drugs and G6PD deficiency with the Vigifavisme patient association, Issues: on the consequences of in utero exposure to diethylstilbestrol, management of mild to moderate pain in the context of withdrawal of dextropropoxyphene, management of difficulty falling asleep. Book chapter: A. CASTOT, M.L. VEYRIES : "Contribution de l'Agence française de sécurité sanitaire des produits de santé (Afsaps) au dossier diéthylstilbestrol (DES)". Ouvrage « DES (Distilbène _ Stilboestrol) Trois générations : réalités – perspectives » Editeur Réseau D.E.S. France, 2010 : 161_166 H. DRUGEON, M.L. VEYRIES, M. LEVACHER, et al. : "Antibacterial activity of urine after administration of ofloxacin for 5 day." *Thérapie*, 2000, 55(6) : 691_97 M.L. VEYRIES, S. GEIGER, G. COUARRAZE, et al. : "Controlled release of vancomycin from injectable poloxamer 407". *International Journal of Pharmaceutics*, 1999, 192(2) : 183_93 M.L. VEYRIES, F. FAURISSON, M.L. JOLY_GUILLOU, et al. : "Control of staphylococcal adhesion to polymethylmethacrylate and enhancement of susceptibility to antibiotics by poloxamer 407." article soumis à *Antimicrobial Agents and Chemotherapy* *Antimicrob Agents Chemother.*, 2000, 44(4) : 1093_96 M.L. VEYRIES, M. SINET, B. DESFORGES, et al. : "Effects of morphine on the pathogenesis of murine Friend retrovirus infection." *The journal of Pharmacology and Experimental Therapeutics*, 1995, 272(2) : 498_504 B. ROUVEIX, M.L. VEYRIES : "Effets de la morphine sur l'infection murine par le rétrovirus de Friend." *Bulletin de l'Académie Nationale de Médecine*, 1995, 179(5) 1069_1080 Displayed communications M.L. VEYRIES, M. BERTRAND, S. MIRANDA, et al. : "Study of Compliance with the Isotretinoin Pregnancy Prevention Programme regarding Pregnancy Testing in France Using the EGB Database" *International Society of Pharmacovigilance (ISOP) annual meeting, République Tchèque*, P175, *Drug Saf* (2015) 38: 935 A. SOMMET, C. SAUSSIER, M.L. VEYRIES, et al. on behalf of the "Observatoire Guillain_Barré" group: "Guillain Barré Syndrome and A(H1N1)v 2009 vaccination: a French case_control study". *International Society of Pharmacovigilance (ISOP) annual meeting, Ghana*, 2010 M.L. VEYRIES, F. FAURISSON, L. GARRY, et al. : "Prophylactic activity of vancomycin combined to a gel matrix in experimental foreign_body infection by methicillin resistant *Staphylococcus aureus* in guinea pig." 38th *International Conference of Antimicrobial Agents and Chemotherapy*, 1998, San Diego, Californie, n° B060 M.L. VEYRIES, F. FAURISSON, G. COUARRAZE, et al. : "Vancomycin delivery from a poloxamer gel matrix." 2ème *Congrès National de la Société Française de Pharmacologie*, 1998, Nancy, n° 27 M.L. VEYRIES, F. FAURISSON, G. COUARRAZE, et al. : "Vancomycin delivery from a gel matrix administered in tissue cage in rat." 36th *International Conference of Antimicrobial Agents and Chemotherapy*, 1996, New Orleans, Louisiana, n° A077 F. FAURISSON, C. GROSSKOPF, S. LOIZEAU, M.L.
