

PERSONAL INFORMATION

Alia Michaelidou-Patsia

WORK EXPERIENCE

April 2005–Present

Veterinary Pharmacist

Ministry of Agriculture, Natural Resources and Environment, Veterinary Services (Cyprus)

- Member of the Committee for Medicinal Products for Veterinary Use (CVMP)
- Member of the Pharmacovigilance Working Party (PhVWP-V)
- Person responsible for Pharmacovigilance.
- Issue, renewal and variation of Marketing Authorization for Veterinary Medicinal Products.
- Regulatory advice and expert opinion regarding borderline products.
- Management of the Veterinary Services website, regarding Veterinary Medicinal Products.
- Preparation of the annual report regarding the use of immunologicals (veterinary) in Cyprus.

August 2004–April 2005

Pharmacist

Ministry of Health, Pharmaceutical Services (Cyprus)

- Management and preparation of prescription
- Storage management and archiving

EDUCATION AND TRAINING

January 2006–April 2011

Philosophy Doctor (PhD)

Aristotle University of Thessaloniki (Greece)

Synthetic Pharmaceutical Chemistry and Pharmaceutical Analysis

September 2000–December
2002**Master of Science (MSc)**

National and Kapodistrian University of Athens (Greece)

Synthetic Pharmaceutical Chemistry and Pharmaceutical Analysis

1995–2000

Pharmacist Degree

Aristotle University of Thessaloniki (Greece)

Analytical Chemistry, Botany, Organic Chemistry, Biology, Pharmaceutical Chemistry, Biochemistry, Pharmaceutical Analysis, Physicochemistry, Anatomy, Physiology, Pharmaceutical Technology, Pharmacognosy, Pharmacology, Toxicology, Methods of Pharmaceutical Analysis

January 2006–February 2006

Trainer on the Use of Eudravigilance

Drug Information Association (DIA) & European Medicines Agency (EMA) (Cyprus)

Eudravigilance User Training Course

ADDITIONAL INFORMATION

Expertise

Publications

2007

Heterocyclic aryl(phenyl) acetic acid and aryl acetohydroxamic acids as anti-inflammatory – anti-oxidant agents and inhibitors of lipoxygenase and serine proteases, Michaelidou, A., Hadjipavlou-Litina, D., Matsini, I., Tsitsogianni, E. Medicinal Chemistry 3 (5), pp. 439-445

2006

New heterocyclic derivatives with anti-oxidant – anti-inflammatory activity, Michaelidou A., Hadjipavlou, D., Siochou, A., Kapoukranidou, D., Review of Clinical Pharmacology and Pharmacokinetics, International Edition 20 (2), pp. 251-253

2005

Non Steroidal Anti-inflammatory drugs (NSAIDs): A Comparative QSAR Study, Michaelidou A.S. & Hadjipavlou-Litina D., Chemical Reviews, Vol. 105, N. 9, pp. 3235-3271

2003

Anti-inflammatory, Antioxidant and Analgesic Amides, Alia Michaelidou and Dimitra Hadjipavlou-Litina, Journal of Enzyme Inhibition and Medicinal Chemistry, Vol 18(6), pp. 537-544
