

PERSONAL INFORMATION

Anna Maria Serrilli

WORK EXPERIENCE

March 2019- Present

Quality Assessor senior

AIFA -Agenzia Italiana del Farmaco (Italy)

Post Authorization Procedures Office

Medicinal Products Authorization Department

- Assessment of renewal, type I and type II variations according national and community procedures for Human Medicinal Products.

- Regulatory activities in the field of Herbal Medicinal Product and Homeopathic Human Medicinal Products

April 2017-February 2019

Safety assessor

AIFA -Agenzia Italiana del Farmaco (Italy)

Post Authorization Procedures Office

Medicinal Products Authorization Department

- Assessment of renewal, type I and type II variations according national and community procedures for Human Medicinal Products.

- Regulatory activities in the field of Herbal Medicinal Product and Homeopathic Human Medicinal Products

October 2011-April 2017

Quality assessor

AIFA -Agenzia Italiana del Farmaco (Italy)

Evaluation and Registration Area

Post Approval

- Assessment of CTD according national and community procedures for Herbal Medicinal Products.

- Assessment of ASMF and application for type I and type II variations according national and community procedures for Human Medicinal Products.

- Regulatory activities in the field of Herbal Medicinal Product and Homeopathic Human Medicinal Products

April 2009-March 2010

Research grant

Chemistry Department, Sapienza Università di Roma (Italy)

Oleuropein Biogenesis

October 2008-March 2009

Fellowship

Chemistry Department, Sapienza Università di Roma (Italy)

Phytochemical characterization of rare and endemic plant species of the Majella Natural Park

December 2007-November 2008

collaboration contract

Co.S.Me.Se - (Interacademic Union for studying of natural secondary metabolites)

Sapienza Università di Roma and Università di Cagliari (Italy)

Extraction, isolation and identification of secondary metabolites on Sardinian plants

October 2003-October 2004

coordinated and continuous collaboration (Co.Co.Co)

Plant Biology Department, Sapienza Università di Roma (Italy)

Extraction, isolation and identification of secondary metabolites on medicinal plants

EDUCATION AND TRAINING

January 2017-July 2017	Postgraduate (second level) Master Degree Sapienza Università di Roma (Italy) Chemistry of Natural Products
July 2010-	course attendance Sapienza Università di Roma (Italy) Attendance of the course of Pharmacy in developing countries within Master in Organic Natural Compounds (Roma 5-10 July 2010)
November 2009-May 2010	traineeship AIFA - Agenzia Italiana del Farmaco (Italy) Training in regulatory affairs and evaluation of quality aspects of Human Medicinal Products.
November 2004-October 2007	PhD degree in Botanical Sciences Sapienza Università di Roma, Chemical and Plant Biology Departments (Italy) Dissertation on botanical pharmaceutical, title: "Olea europæa L., study of polar secondary metabolites in native cultivar, new selection and cells culture"
July 2003-	Italian Professional Qualification in Pharmacist Sapienza Università di Roma (Italy)
March 2003-	Master degree in Pharmacy Sapienza Università di Roma (Italy) Dissertation on botanical pharmaceutical

ADDITIONAL INFORMATION

Expertise	University research work (2003-2010) in the field of chemistry of natural products (extraction of medicinal plant, purification of the extracts and characterization of the isolated compounds by NMR, IR, UV-vis spectroscopy and mass spectrometry). Since 2011, Dr. Serrilli has been a quality assessor at the Italian Medicines Agency (Evaluation and Registration Office), where she evaluates the quality aspects of API and finished product for Human Medicinal Products within national and mutual recognition procedures, specifically type I and type II variations. Since November 2012 she assesses also the national and mutual recognition procedures of Herbal medicinal products registration and authorisation. She has been also involved in regulatory activities in the field of Homeopathic Medicinal Products. From October 2012 until December 2014 she is the alternate Italian member of HMPWG. Since November 2013 she is the alternate Italian member of HMPC. Since May 2015 she is the Italian member of HMPWG.
