

### PERSONAL INFORMATION

Mehmet Ungan

### WORK EXPERIENCE

---

March 2021- Present

#### Immidiate Past President

WONCA Europe-World Organizaiton of Family Doctors (Slovenia)

Representing WONCA Europe in international relations

November 2018- Present

#### President

WONCA- World Organizaiton of National Colleges and Academies of Family Medicine/General Practice in Europe (Turkey)

President of Europe for 47 National College, more than 150 000 FDs/GPs

Graduate of Istanbul University School of Medicine (1987), completed specialization in Family Medicine in 1993, Ankara, Associate Professorship in 2002. Full Professorship in 2011. At present an academic Professor in Ankara University School of Medicine, Department of Family Medicine.

President of TAHUD- National College twice.

President of World Organization of Family Doctors European Region (WONCA Europe) for 2019-2022 term.

Past Chair of the European General Practice Research Network (EGRPN).

Organization of International Conferences

Organization including but not only limited to 4 EGPRN conferences and 2 WONCA Europe Conferences.

December 2011- Present

#### Professor of the University Deptment

Ankara University School of Medicine, Deptment of Family Medicine (Turkey)

Training postgraduate FM residents, training undergraduate Med Students, Conducting Thesis and mentorship, Patient and Primary Care Services also including screening, prescription, health education

### EDUCATION AND TRAINING

---

October 2011- Present

#### Professor of Family Medicine

Ankara University School of Medicine, Department of Family Medicine (Turkey)

General Practice, Screening, Prevention, Treatment, Education, Research

### ADDITIONAL INFORMATION

---

#### Expertise

Refugee and Immigrant Health -IPPA- International Panel Physicians Association, Member since 2010, member of the Board of Directors 2021-

WHO Europe Public Health Services- International Expert for Primary Care (2020 )

WHO Europe Expert- Noncommunicable Disease Risk Factors in Primary Health Care (2020)

Primary Health Care, General Practice, Family Medicine, Osteoporosis, Primary Care Research and Education, Clinical Education.

Professor Ungan has studied in TED Ankara College, Science (Fen) Lycee and Graduated from Istanbul University Cerrahpasa School of Medicine. He completed his compulsory service in Diyarbakir Tuberculosis Control Center. He made his postgraduate specialization on Family Medicine, in Ankara Numune Training and Research Hospital and had the right to use specialist title in Family Medicine. He has been a founder and past President of Turkish Association of Family Physicians.

He participated in and was certified in the Trainer' Course in University of Exeter Post

Graduate Medical School, Devon, UK . He also had "Internal Medicine and Endoscopy Training" in Phillippusstift Krankenhaus, Medizinische Klinik, Essen-Germany, 1993. In 2002, meeting the requirements of Turkish Higher Education Council and being succesful both in the publication criterias and also in the examination he became an Associate Professor in Family Medicine. He served as Deputy Medical Director of the METU University Medical Center.

Dr Ungan is a Professor in Family Medicine Department of Ankara University School of Medicine since 2011. He is the immdiate past president of the European General Practice Research Network (EGPRN). He has been a member of the executive board of World Organization of Family Doctors (WONCA- Europe) since 2009. He is elected as Pressient Elect in 2016 and now he is the President of WONCA Europe. He is in international advisory board of the British Journal of General Practice (BJGP), Turkish Journal of Family Physicians, Turkish Clinics Family Medicine Journal, Dicle University Medical Journal, in editorial board of PRN Family Practice, vice editor of Euroasian Journal of Family Medicine, international scientific board of Konuralp Medcial journal. He organized 2003 Ankara, 2008 Antalya, 2013 Kusadasi EGPRN meetings. He was involved in organizing 2008 WONCA Europe Conference in Turkey and he was the chair of the Scientific Committee in WONCA Europe 2015 Conference held in Istanbul.

His researches are in the field of Primary Care, Clinical Medicine, Primary Care Gastroenterology and GI Diseases, Primary Care Team Education, Patient Education, Prevention, and Family Medicine. Some international projects were related wth AIDS, Osteoporosis, European Research Agenda. Has more than 100 published papers and chapters in books.
