

PERSONAL INFORMATION

Alexandre Moreau

WORK EXPERIENCE

June 2000–April 2004

Clinical assessor

AFSSaPS (France)

Clinical assessor in Haematology

April 2004–May 2011

Clinical assessor

AFSSaPS (France)

Clinical assessor in solid oncology

May 2011–September 2012

Head of the oncology clinical unit

ANSM (France)

October 2012–November 2013

Deputy Director

ANSM (France)

Deputy Director, oncology directorate

December 2013–April 2014

Director, interim

ANSM (France)

Director by interim, oncology directorate

May 2014–July 2015

Deputy Director

ANSM (France)

Deputy Director, oncology directorate

August 2015–May 2016

Director

ANSM (France)

Director, oncology directorate

June 2016–April 2017

Director

ANSM (France)

Director, oncology, haematology, blood products, cellular therapie directorate

February 2017–December 2017

CHMP Member

ANSM (France)

CHMP and BMWP Member, SAWP alternate, Biosimilar products (national)

December 2017–Present

CHMP Member

ANSM (France)

CHMP, SAWP, and BMWP Member, Biosimilar products (national)

EDUCATION AND TRAINING

October 1996–September 1997

Master

Université Paris 7 (France)
Cellular and molecular biology of haemostasis

October 1997–June 2003

Doctorate

Université Paris 7 (France)

Anti-Factor VIII antibodies in Haemophilia A patients, patients with autoimmune disease associated with anti-FVIII autoantibodies and in healthy subjects

September 2007–August 2008

Master

Université Paris 11 (France)

Statistics and methodology

ADDITIONAL INFORMATION

Expertise

Oncology
Haematology
Immunology
Blood derived products

Publications

Factor VIII inhibitors are present in serum IgG of non-responder patients with hemophilia A and of healthy blood donors.

Alexandre Moreau, Sébastien Lacroix-Desmazes, Natalie Stieltjes, Srinivasa V. Kaveri, Evgueni Saenko, Yvette Sultan, Dorothea Scandella, and Michel D Kazatchkine. *Blood*, 1er juin 2000.

Catalytic Activity of anti-Factor VIII Antibodies in Patients with Hemophilia A. Sébastien Lacroix-Desmazes, Alexandre Moreau, Sooryanarayana, Natalie Stieltjes, Yvette Sultan, Johan Hoebeke, Michel D. Kazatchkine, Srinivas V. Kaveri. *Nature Medicine*, 1er septembre 1999.

Natural antibodies to FVIII. Lacroix-Desmazes, S., A. Moreau, Sooryanarayana, J-M. Saint-Remy, S. V. Kaveri, and M. D. Kazatchkine. *Sem. Thromb. Hemostas.* 26: 157.

Natural and pathological autoantibodies. Moreau A., Lacroix-Desmazes S, Kaveri S., Kazatchkine M. D. *Aspekt (Germany)*.

Natural autoantibodies. Lacroix-Desmazes S., Moreau A., Kazatchkine M. D. *J. Immunol. Methods*.

FVIII inhibitor with catalytic activity towards FVIII. Lacroix-Desmazes, S. Sooryanarayana, A. Moreau, M. D. Kazatchkine, S. V. Kaveri. 2000. *Chemical Immunol.* 77.

FVIII inhibitor with catalytic activity towards FVIII. Lacroix-Desmazes, S. Sooryanarayana, A. Moreau, M. D. Kazatchkine, S. V. Kaveri. 2000. *Haematologica* 85 :89.

Idiotypic regulation of anti- FVIII antibodies. M. D. Kazatchkine, Lacroix-Desmazes, S, A. Moreau, S. V. Kaveri. 2000. *Haematologica.* 85 : 97.

Projects

Memberships

Alternate member of the scientific advice working party (SAWP) since June 2008

Member of the biosimilar product working party (BPWP) since September 2010
