

Curriculum Vitae

Personal information Jiří Bureš

Work experience

1. Employer: Institute for State Control of Veterinary Biologicals and Medicines
 - Start date: 012016
 - End date:
 - Position: Managing Director
 - Activities: Management of scientific and organisational issues of the Czech veterinary NCA, relationships with other relevant bodies at national / EU level (food / feed safety, animal health, environmental protection), relationships with research / academia
 - Country: Czechia
2. Employer: Institute for State Control of Veterinary Biologicals and Medicines
 - Start date: 011998
 - End date:
 - Position: Head, Marketing Authorisation Dpt.
 - Activities: Assessment of applications for MA of VMPs, Pharmacovigilance, Regulatory affairs, Quality management, National antimicrobial policy, national legislation
 - Country: Czechia
3. Employer: Czech Agriculture and Food Inspection
 - Start date: 011997
 - End date: 121998
 - Position: Risk assessment and risk management – Foodstuffs of Animal Origin
 - Activities: risk assessment _ foodstuffs of animal origin (residues, food additives)
 - Country: Czechia
4. Employer: Private practice
 - Start date: 011995
 - End date: 121996
 - Position: private field veterinarian _ mixed veterinary practice
 - Activities: bovine medicine, porcine medicine, small animal practice
 - Country: Czechia

Education and training

1. Subject: Veterinary College, Brno
 - Start date: 091988
 - End date: 051994
 - Qualification: Doctor of Veterinary Medicine
 - Organisation: General Veterinary Medicine
 - Country: Czechia
2. Subject: State Veterinary Administration
 - Start date: 051996
 - End date: 051997
 - Qualification: certificate on postgraduate education
 - Organisation: General Veterinary Medicine
 - Country: Czechia
