

## Curriculum Vitae

Personal information **Federico Alberici**

Work experience

INSTITUTION	ROLE	YEAR(s)	TASKS
University of Brescia – ASST Spedali Civili of Brescia (IT)	Director of the Nephrology Unit and of the Specialty School	Nov 2022 – Date	Director of the clinical and research activities, trainees development
University of Brescia – ASST Spedali Civili (IT)	Associate Professor – Consultant in Renal Medicine	Jan 2020 – Nov 2022	Teaching, research, clinical rota
University of Milano (IT)	Adjunct Professor	Jul 2020 – Oct 2020	Nephrology teaching at the Specialty School of Medical Genetics
University of Milano (IT)	Assistant Professor	May 2019 – Dec 2019	Research, Teaching
University of Milano (IT)	Adjunct Professor	Jun 2018 – Apr 2019	Nephrology teaching at the Specialty School of Medical Genetics
ASST Santi Paolo e Carlo of Milano (IT)	Consultant in Renal Medicine	Sept 2015 – Dec 2019	Lupus – Vasculitis and Glomerulonephritis Clinic. Ward Rotas
University of Cambridge (UK)	Clinical Research Associate	Sep 2012 – Sep 2015	Research and Clinical activities in the field of Vasculitis. Ward rotas
University of Parma (IT)	Specialisation in Nephrology	2008 – March 2013	Training in Nephrology

Education and training

University of Parma (IT)	PhD (cum laude)	Jan 2014 – Mar 2017	Medical Sciences
University of Cambridge, Addenbrooke's Hospital, Cambridge (UK)	ERA-EDTA Fellowship	Sept 2012 – Sept 2013	Nephrology, Autoimmune diseases, Vasculitis
University of Parma (IT)	Specialisation (cum laude)	2008-2013	Nephrology

University of Parma (IT)	MD (cum laude)	2001 - 2007	Medicine
-----------------------------	----------------	----------------	----------

## Additional information

### Publications

#### PEER-REVIEWED PUBLICATIONS (IN CHRONOLOGICAL ORDER)

Federico Alberici is author of 139 peer-reviewed publications. According to the Scopus database his articles achieved 4967 overall citations, Hirsch index 34.

Federico Alberici has been recognised among the "World's 2% Top Scientists" for the year 2021 according to the Editor ELSVIER. Scopus ID: 23567850700

ORCID ID: 0000-0002-1686-5709

#### BOOK CHAPTERS:

1. Chapter for the book: "Current Progress In Nephrology"

Editors: Claudio Ponticelli, R Kasi Visweswaran ISBN: 978-93-83989-73-7

Title of the chapter: "Covid Pandemic and Kidney Transplantation"

Authors of the chapter: Possenti S, Alberici F, Scolari F

2. Chapter for the book: "Anti-Neutrophil Cytoplasmic Antibody (ANCA) Associated Vasculitis"

Editors: Sinico, Renato Alberto, Guillemin, Loïc DOI: 10.1007/978-3-030-02239-6

Title of the chapter: "Genetics of ANCA-associated Vasculitis"

Authors of the chapter: Alberici F, Lyons PA, Martorana D

### Projects

#### CLINICAL AND RESEARCH EXPERIENCE

Immune mediated diseases with and without kidney involvement, ANCA Associated Vasculitis, Genetics, Retroperitoneal Fibrosis, Erdheim-Chester Disease, Systemic Lupus Erythematosus, Glomerulonephritis, SARS-CoV2 infection, Renal Cell Carcinoma

### Memberships

#### AWARDS – GRANTS – COORDINATION OF RESEARCH GROUPS

1. PI for the project GR-2021-12374235, title "A digital pathology platform for molecular onconeurology: the PROFOUND project". Award by the Italian Ministry of Health of 450.000 euro.
2. ERA-EDTA "virtual grant" for the 57<sup>o</sup> ERA-EDTA congress for the presentation "Long-term follow-up of IgA nephropathy patients at high risk of progression according to the therapeutic approach employed: a multicenter retrospective study of 947 patients". This presentation has been recognised among the best eight presented by "young authors".
3. ERA-EDTA travel grant for the 53rd ERA-EDTA congress for the presentation "Clinical predictors of response to rituximab in ANCA associated vasculitis: a European Cohort".
4. Long term ERA-EDTA research fellowship (Sep 2012-Sep 2013). Addenbrooke's Hospital (Cambridge, UK) – University of Cambridge.
5. ERA-EDTA travel grant for the 50th ERA-EDTA congress for the presentation "Long term follow-up of patients who received repeat dose rituximab as maintenance therapy for ANCA associated vasculitis (AAV)"
6. Coordinator of the Immunopathology Working Group of the Italian Society of Nephrology (Oct 2018 – Oct 2021)
7. Member of the "International Scientific Committee" of the 21st International Vasculitis Workshop of Barcelona
8. Supervisor for PhD students of the University of Groningen (NL)

#### TALKS AT INTERNATIONAL AND ITALIAN CONGRESSES

Federico Alberici is Author or co-Author of more than 200 abstracts accepted as posters or oral communications at International (ERA, ASN, ISN) or Italian Congresses.

Federico Alberici has performed more than 100 talks on invitation at International or Italian Congresses including the annual meetings of the Italian (SIN), European (ERA) and American (ASN) Societies of Nephrology as well of the European Society of Vasculitis (EUVAS)

### Other Relevant Information

#### EDITORIAL ACTIVITIES:

- Advisory board member of the "Journal of Nephrology" for the section "Glomerular and Interstitial Diseases"
- Associate Editor for the journal "Frontiers in Immunology"
- Guest Editor for the journal "Frontiers in Immunology" as editor of the special issue "Towards precision medicine in vasculitis"

Review for the following journals:

1. Nature Review in Rheumatology
2. Lancet
3. Kidney International
4. Kidney International Reports
5. American Journal of Transplantation
6. Annals of Rheumatic diseases
7. American Journal of Kidney Diseases (AJKD).
8. Nephrology and Dialysis Transplantation (NDT).
9. Clinical Kidney Journal (CKJ).

10. Journal of Nephrology
11. International and Emergency Medicine.
12. Journal of the Royal Society of Medicine.
13. Journal of Medical Case Reports.
14. Mediators of Inflammation.
15. Bioscience Reports.
16. Clinical and Experimental Rheumatology.
17. PLOS one.
