

Curriculum Vitae

Personal information **Audrey Beringer**

Work experience

1. Employer: ANSM
 - Start date: May, 2021
 - End date: present
 - Position: Scientist
 - Activities: Batch release of vaccines Market surveillance of biotech products Development of techniques for vaccine potency
 - Country: France
2. Employer: Genoway
 - Start date: Jan, 2019
 - End date: Apr, 2021
 - Position: Scientist Immunology and Cell Biology
 - Activities: Scientific validation of transgenic models in immuno-oncology ; Development & optimization of the immunology and cell biology platform
 - Country: France
3. Employer: Edouard Herriot hospital, Immunogenomics and inflammation laboratory
 - Start date: Sep, 2015
 - End date: Dec, 2018
 - Position: Junior Scientist in Immunology _ PhD student
 - Activities: Treatment of biological samples (biopsies, blood) ; Culture of primary human cells (fibroblasts, hepatocytes, myoblasts) and cell lines, development of co_culture systems , Molecular biology: mRNA extraction, RT, qRT_PCR Molecular biochemistry/immunology: ELISA, flow cytometry (panel design), immunofluorescence
 - Country: France

Education and training

1. Subject: Ph.D. in Immunology
 - Start date: Sep, 2015
 - End date: Dec, 2018
 - Qualification: Ph.D.
 - Organisation: University of Lyon
 - Country: France
2. Subject: Pharm.D.
 - Start date: Sep, 2008
 - End date: Jul, 2015
 - Qualification: Pharm.D.
 - Organisation: University of Lyon
 - Country: France
3. Subject: M.Sc. in Analytical development & biopharmaceutics
 - Start date: Sep, 2013
 - End date: Jun, 2014
 - Qualification: M.Sc.
 - Organisation: University of Lyon
 - Country: France
