### Education and training

Graduated in Medicine and Surgery 1981, University of Bologna – Italy – 110/110 Summa cum Laude

Specialization in Dermatology and Venereology 1984 – University of Bologna – Italy – 70/70 Summa cum Laude

#### Certifications:

-Good Clinical Practice – 2018

-17-5-1990 University of Bologna – appointed "Expert of the subject" - Clinica Dermosifilopatica

-31-8-1989 Università di Bologna – Judgment favorable to the attitude for research

### Additional information

#### Publications

Scientific publications: 262 (175 on PubMed)

Author of books and chapters on books: 16

#### Projects

##### Current areas of Scientific Interest:

-Acne, Hidradenitis Suppurativa, Rosacea, Post-acne scars

##### Member of Scientific Boards active on Projects:

- Board Global Alliance on Outcomes in Acne ([www.acneglobalalliance.com](http://www.acneglobalalliance.com)) (2001 – 2019)
- Steering Committee Global Alliance on Outcomes in Acne ([www.acneglobalalliance.com](http://www.acneglobalalliance.com)) (2001 – 2019)
- Steering Committee European Alliance on Outcomes in Acne ([www.acneglobalalliance.com](http://www.acneglobalalliance.com)) (2006 – 2019)
- Scientific Committee Consultant "EUROmediCAT" Programme European Union 7° Framework Programme ([www.euromedicines.eu](http://www.euromedicines.eu))
- Steering Committee European Academy Dermatology Venereology Task Force on Acne, Rosacea and Hidradenitis Suppurativa – Acne Section - ([www.eadv.org](http://www.eadv.org))
- Scientific Committee – Acne Section - IDEOM (International Dermatology Outcome Measures)

([www.dermoutcomes.org](http://www.dermoutcomes.org))

- HISTORIC group – member – (Hidradenitis Suppurativa Core Outcome set International Collaboration)
- Scientific Committee of Italian Acne Board
- Scientific Committee of ACORN (Acne Core Outcomes Research Network)

Principal Investigator 10 International Clinical Trials on Acne, Rosacea and Hidradenitis Suppurativa

- EUDRACT 2006-003491-35 Azythromicine vs Minocycline – Pfizer 2006 (ended)
- ASAP Study (Assessing Success of a new acne product) – Galderma 2006 Epiduo (ended)
- TEAM (Tetralysal Epiduo Acne Makeover) Galderma 2008 EUDRACT: 2008-006792-68 (ended)
- MUSE (Mirvaso Utilization Satisfaction Evaluation) Rosacea Galderma 2015 – RD.03.SPR.1 (ended)
- UNITE – Abbvie – Hidradenitis Suppurativa Pediatric age 2016 (ended)
- Protocol M15-574 (Abbvie) Hidradenitis – Adalimumab + Surgery 2018 (ended)
- REROS Rosacea ALFASIGMA (stopped)
- GEDACNE -PPM Hippocrates 2019 (ended)
- CAIN (Secukinumab – Novartis) Hidradenitis Suppurativa CAIN457M2302 – 2019 (ongoing)
- CAIN (Secukinumab – Novartis) Hidradenitis Suppurativa CAIN457M21E1- 2020 (ongoing)

Memberships Organization and Coordination of Scientific Congresses and Events:

- 15 Editions of “International Meeting on Acne and Related Dermatoses” – Ferrara (2001-2019)
- 55° National Congress of Italian Association of Hospital Dermatologists (ADOI). Bologna – October 2016
- Co-organizer International Congress “Acne Day” (Acne and Related Disorders) – Milan 2018
- Organizing Committee – EHSF (European Hidradenitis Suppurativa Foundation) Congress– Florence Feb 2023

Participation to Scientific Congresses (2000 – February 2020): Total 444 Abroad 139 Italy 305

Active Role: Member of Scientific / Organizing Committee - 85 Presentations - 375 Co / Chairmen 101

Actions taken between March 2020 and December 2022 are going to be registered

Participation to Scientific Congresses in 2023: Total 29 Abroad 14 Italy 15

Active Role: Member of Scientific / Organizing Committee - 16 Presentations - 36 Co / Chairmen

Consultant and referee for National Agencies:

-French Ministry of Health – assignment of Research Funds Project: [PHRCN-18-0752\_SEL Peer Review

PHRC National 2018 - @sante.gouv.fr

- ANR (Agence Nationale de la Recherche) France - Consultant panel “CE17 - Recherche translationnelle en

santé” reviewer for the proposal “HF-HS” 2020

Scientific Society Assignment:

- Vice President of Association of Italian Hospital Dermatologists (ADOI)
- Steering Committee of Association of Italian Hospital Dermatologists (ADOI)
- Steering Committee Italian Group of Epidemiological Studies in Dermatology (GISED)
- President G.I.S.E.D. (Italian Group of Epidemiological Studies in Dermatology) from May 2023
- Task Force on Acne, Rosacea and Hidradenitis Suppurativa - European Academy Dermatology Venereology ([www.eadv.org](http://www.eadv.org))
- Scientific / Organizing Committee Italian Acne Board

Coordination Research and Study Groups:

- Acne and Related Disorders of ADOI
- Acne-group Ferrara (Italy) AC-FE
- Hidradenitis Suppurativa-group Ferrara (Italy) IDROS-FE
- Acne and Related Disorders Centre – Bologna – Ferrara (Italy)

Editorial Board Member of Dermatological Scientific Journals:

- Skin and Appendages Disorders
- Dermatology and Therapy
- Dermatology Reports
- Il Dermatologo

Other  
Relevant  
Information

Editorial Referee of the following Scientific Journals:

- British Journal of Dermatology
- Journal of European Academy of Dermatology and Venereology
- Archives of Dermatological Research
- Experimental Dermatology
- JAMA Dermatology
