

Curriculum Vitae

Personal information **Holger Loessner**

Work experience

1. Employer: Paul Ehrlich Institut, Section Microbiological Safety
 - Start date: 07.2016
 - End date:
 - Position: Scientific Assessor, Scientist
 - Activities: Quality Assessment, Special Expertise in Microbiological Safety, Research
 - Country: Germany
2. Employer: Paul Ehrlich Institut, Veterinary Department, Section Bacterial Vaccines and Immune Sera
 - Start date: 04.2008
 - End date: 06.2016
 - Position: Scientific Assessor, Scientist
 - Activities: Batch Release Testing, Research, Scientific Assessment
 - Country: Germany
3. Employer: Helmholtz Center for Infection Research Braunschweig, Molecular Immunology
 - Start date: 05.2002
 - End date: 03.2008
 - Position: Postdoc
 - Activities: Development of live bacterial vector vaccines and therapeutics
 - Country: Germany

Education and training

1. Subject: European Commission, DG Sante, Medicines policy, authorisation and monitoring
 - Start date: 10.2017
 - End date: 01.2018
 - Qualification: National Expert Professional Trainee
 - Organisation:
 - Country: Belgium
2. Subject: Max Planck Institut of Infection Biology Berlin
 - Start date: 10.1996
 - End date: 04.2002
 - Qualification: PhD
 - Organisation: Thesis: Autolytic Salmonella as vector for oral genetic vaccination
 - Country: Germany
3. Subject: Humboldt University Berlin
 - Start date: 09.1990
 - End date: 09.1996
 - Qualification: Biochemistry (Diplom)
 - Organisation: Thesis: Suitability of the latent EBV replicon for the integration into liver directed gene therapy vectors
 - Country: Germany
