

Curriculum Vitae

Personal information

Irena Caleta

Work experience

March 2025 - present: Expert Advisor in Science; Croatian Veterinary Institute; Croatia

• Quality assessment of veterinary medicinal products

Jan 2021 - March 2025: Principal Scientist/Lead Scientist/Research Fellow - Medicinal Chemist; Selvita d.o.o.; Croatia

- A drug discovery team leader/member
- Working across different targets/projects
- Planning and management of client projects; co-ordination of experiments, data evaluation and providing scientific expertise to project team

Jan 2013 - Jan 2021: Principal Scientist - Medicinal Chemist _ Fidelta d.o.o.; Croatia

- Team member/leader of various projects (hit-to-lead and lead optimization stage)
- Responsible for design and synthesis of new molecules with improved PK/PD properties, QC of prepared molecules, SAR analysis, meeting deadlines and controlling budget
- Laboratory manager

Sep 2010 - Jan 2013: Senior Scientist - Medicinal Chemist _ Galapagos NV; Croatia

- Design and synthesis of macrolides and small heterocyclic molecules

June 2007 - Sep 2010: Senior Scientist - Medicinal Chemist _ GlaxoSmithKline d.o.o.; Croatia

- Synthetic chemist in drug discovery

June 2007 - July 2000: Junior Assistant/Assistant/Senior Assistant _ Faculty of Chemical Engineering and Technology, University of Zagreb; Croatia

- Conducting laboratory exercises and seminars
- PhD student at Faculty of Science, University of Zagreb

Education and training

2000-2007_PhD (Chemistry)_Faculty of Science, University of Zagreb_Croatia

1993-2000_B.Sc (Chemistry)_Faculty of Science, University of Zagreb_Croatia
