

Curriculum Vitae

Personal information **Ingolf Cascorbi**

Work experience

1. Employer: Christian Albrechts University Kiel
 - Start date: 062004
 - End date:
 - Position: Professor of Pharmacology, Director
 - Activities: Director Institute of Experimental and Clinical Pharmacology, University Hospital Schleswig_Holstein, Campus Kiel
 - Country: Germany
2. Employer: Ernst Moritz Arndt University Greifswald
 - Start date: 032000
 - End date: 052004
 - Position: Associate Professor
 - Activities: Group leader of pharmacogenetics
 - Country: Germany
3. Employer: Charité Medical Center
 - Start date: 081994
 - End date: 022000
 - Position: Research Associate, Assistant Professor
 - Activities: Pharmacogenetics of ADME genes, susceptibility factors of complex diseases
 - Country: Germany
4. Employer: Charité Medical Center
 - Start date: 021993
 - End date: 071994
 - Position: Junior House Officer
 - Activities: Pharmacogenetics, clinical studies on ADME
 - Country: Germany
5. Employer: Free University Berlin
 - Start date: 091985
 - End date: 121992
 - Position: Research Associate
 - Activities: Ecotoxicological vitro models, QSAR analyses
 - Country: Germany

Education and training

1. Subject: Humboldt University
 - Start date: 1999
 - End date: 2000
 - Qualification: Habilitation
 - Organisation: Charité, Humboldt University
 - Country: Germany
2. Subject: 2nd doctoral study
 - Start date: 1995
 - End date: 1999
 - Qualification: MD (Dr. med.)
 - Organisation: Humboldt University
 - Country: Germany
3. Subject: Specialization in Clinical Pharmacology
 - Start date: 1993
 - End date: 1998
 - Qualification: Medical Board Certification
 - Organisation: Charité
 - Country: Germany
4. Subject: 1st Doctoral Study
 - Start date: 1985
 - End date: 1989
 - Qualification: PhD (Dr. rer. nat.)
 - Organisation: Free University Berlin
 - Country: Germany
5. Subject: Study of Medicine
 - Start date: 1986
 - End date: 1992
 - Qualification: State Examination
 - Organisation: Free University Berlin
 - Country: Germany
6. Subject: Study of Biochemistry
 - Start date: 1978
 - End date: 1985
 - Qualification: Diploma
 - Organisation: Free University Berlin
 - Country: Germany

Additional information

Publications

Number of publications: >300, number of citations: >16,300, H_index: 66 (web_of_science)

Projects

Current Activities:
Center of Excellence: Precision Medicine in Inflammation

BMBF INTERPOLAR
EU InterReg The Good Prescriber
BMBF PRESCRIBE

Pharmacogenomics
ABC Transporters
Drug-drug interactions

Memberships

Scientific Societies: American Association for Cancer Research (AACR), American Society for Clinical Pharmacology and Therapeutics (ASCPT), British Pharmacological Society (BPS, Honary Fellow), German Association for Applied Human Pharmacology (AGAH), German Society of Clinical Pharmacology and Therapeutics (DGKliPha, Board Member), German Society for Cardiology (DGK), International Union of Basic and Clinical Pharmacology (IUPHAR, Past-President)
Editorial Boards: Basic & Clinical Pharmacology & Toxicology, British Journal of Clinical Pharmacology, Clinical Pharmacology & Therapeutics (Associate Editor), Deutsches Arzteblatt International, European Journal of Clinical Pharmacology, Pharmacogenetics & Genomics Pharmacogenomics, Precision Medicine, Therapeutic Drug Monitoring

Other Relevant Information

Board Memberships: Drug Commission of the German Medical Association (AkdÄ), Ethics Committee Medical Faculty, University of Kiel (Vice_Chair),
