Executive Director

The Federation of Veterinarians of Europe (FVE) represents the European veterinary profession, public health and the environment. Our members are veterinary associations from 38 European countries.

My task:

- Assist the Board of Directors in strategic and financial management
- Networking and representation of FVE towards the EU institutions and stakeholders
- Ensures the operation of the organisation meets the expectations of the Board and our members
- Preparation General Assembly and Board of Directors and follow-up taken decisions
- Organisation of internal working groups
- Specifically, responsible for the dossiers on veterinary medicinal products, antimicrobial resistance, FVE communication strategy (external and internal).
