

## Curriculum Vitae

Personal information **Tommaso Eliseo**

### Work experience

---

1. Employer: Agenzia Italiana del Farmaco
  - Start date: 06-2019
  - End date:
  - Position: Employed
  - Activities: Quality Assessor and Specialist in Regulatory Affairs in the area of Chemical Drugs and Allergen Products (haptens for patch testing). Pharmaceutical-chemical assessment, New Marketing Authorisation Applications. National, MRP and DCP procedures.
  - Country: Italy
2. Employer: Agenzia Italiana del Farmaco
  - Start date: 09-2017
  - End date: 05-2019
  - Position: Expert
  - Activities: Quality Assessor and Specialist in Regulatory Affairs in the area of Biologics and Allergen Products. Pharmaceutical-chemical assessment. New Marketing Authorisation Applications. National, MRP and DCP procedures.
  - Country: Italy
3. Employer: Agenzia Italiana del Farmaco
  - Start date: 09-2015
  - End date: 08-2017
  - Position: Expert
  - Activities: Quality Assessor and Specialist in Regulatory Affairs in the area of Biologics and Plasma-derived Medicinal Products. Pharmaceutical-chemical assessment, New Marketing Authorisations Applications, Variations, Line Extensions. National procedures for importation of human plasma and plasma-derived intermediates. Additional expert at the CHMP Biologics Working Party
  - Country: Italy
4. Employer: Ministero della Salute
  - Start date: 01-2012
  - End date: 08-2015
  - Position: Expert
  - Activities: Quality Assessor and Specialist in Regulatory Affairs in the sector of Veterinary Medicinal Products. Pharmaceutical-chemical assessment. New Marketing Authorisation Applications, Variations, Line Extensions. Alternate Delegate at the CVMP Quality Working Party on behalf of Ministero della Salute, Italy.
  - Country: Italy
5. Employer: University of Cambridge
  - Start date: 08-2011
  - End date: 12-2011
  - Position: Research Associate
  - Activities: Research activity in Structural Biology and Biochemistry. Training of PhD students
  - Country: United Kingdom
6. Employer: University of Rome Tor Vergata
  - Start date: 05-2011
  - End date: 07-2011
  - Position: Research Associate
  - Activities: Research activity in Structural Biology and Biochemistry. Training of PhD students
  - Country: Italy
7. Employer: University of Cambridge
  - Start date: 05-2010
  - End date: 03-2011
  - Position: Research Associate
  - Activities: Research activity in in Structural Biology and Biochemistry. Training of PhD students.
  - Country: United Kingdom
8. Employer: University of Rome Tor Vergata
  - Start date: 01-2008
  - End date: 04-2010
  - Position: Assistant Professor
  - Activities: Teaching the course "General and Inorganic Chemistry" (preparation and teaching, administering and grading exams).
  - Country: Italy
9. Employer: University of Rome Tor Vergata
  - Start date: 02-2004
  - End date: 03-2010
  - Position: Postdoctoral Fellow
  - Activities: Research activity in in Structural Biology and Biochemistry. NMR of small molecules, proteins and nucleic acids. Production, purification and characterization of proteins. Study of protein-ligand interactions. Training of PhD students.
  - Country: Italy

### Education and training

---

1. Subject: University of Rome Cattolica
  - Start date: 12-2010
  - End date: 06-2011
  - Qualification: Postgraduate Advanced Training
  - Organisation: Regulatory Affairs. Preclinical and Clinical Drug Development. Technical, scientific, regulatory and ethics aspects
  - Country: Italy
2. Subject: University of Rome Tor Vergata
  - Start date: 11-2001
  - End date: 02-2004
  - Qualification: PhD fellow
  - Organisation: PhD student in Structural Biology and Biochemistry. NMR of small molecules, proteins and nucleic acids. Production, purification and characterisation of proteins. Study of protein-ligand interactions.
  - Country: Italy
3. Subject: University of Rome La Sapienza
  - Start date:
  - End date:
  - Qualification: M.Sc. in Chemistry
  - Organisation: Chemistry
  - Country: Italy

## Additional information

---

### Publications

- 1) Amino Acids 46 (2014):2841-2853
- 2) Biochimica Biophysica Acta 1808 (2011):2102-2110
- 3) Virology 405 (2010):424-438
- 4) Journal of Structural Biology 170 (2010):21-31
- 5) Journal of Molecular Biology 388 (2009): 327-344
- 6) Biochemistry 48 (2009):3279-3287
- 7) Biopolymers 91, (2009):432-443
- 8) Journal of Molecular Biology 385, (2009):1142-1155
- 9) Journal of Biomolecular NMR 43, (2009):79-96
- 10) Biophysical Journal 95 (2008):1108-1117
- 11) Biochemistry 47 (2007):12557-12567.
- 12) FEBS Journal 274 (2007):2385-2395
- 13) Journal of the American Chemical Society 129, (2007):3127-3134.
- 14) Spectroscopy: An International Journal 20, (2006):153-167
- 15) Journal of Biological Chemistry 281, (2006): 9697-9709
- 16) Biochemistry 45 , (2006):6551-6560
- 17) Journal of Biomolecular NMR 30 , (2004):211-214.
- 18) Biopolymers 74, (2004):189\_198. 19) Biochemical Biophysical Research Communications 303, (2003):238-246

### Projects

Member of the drafting group for the preparation of EMA/CHMP guideline on quality and equivalence of locally applied, locally acting cutaneous products (EMA/CHMP/QWP/708282/2018).

### Memberships

### Other Relevant Information

#### AREAS OF EXPERTISE

ESEC expert in the quality domain.

Pharmaceutical-chemical assessment in the context of Marketing Authorisation Applications . National procedures, MRP and DCP procedures. Experience with a broad range of products and pharmaceutical forms.

Evaluation of SPC and PIL: translation, compliance to QRD templates, legibility, compliance to rules on advertising.

Formerly qualified, experienced researcher in Biochemistry and Chemistry areas. Vast experience in protein chemistry and in experimental NMR applied to Analytical Chemistry, Organic Chemistry and Biology.

#### EMA TRAINING COURSES

EMA QWP Training 2025. Zagreb, Croatia, 27-28 November 2025.

EMA QWP Training 2024. 3-4 October 2020. Online attendance.

EMA QWP Training 2020. 19-20 October 2020. Online attendance.

EMA Bioequivalence Assessor Training , EMA (London, UK), 24-25 November 2014

EMA Assessor Training, EMA (London, UK), 14-15 October 2014

#### COMMUNICATION SKILLS

Excellent communication and presentation skills, utilised in an international context.

**MANAGEMENT SKILLS**

Established skill of planning, project management and supervision. Experience with team work

**LANGUAGE SKILLS**

Italian Mother Tongue.

English Fluent

**COMPUTER SKILLS**

Excellent command of Microsoft 365.
