

Curriculum Vitae

Personal information **Lorenzo Tesolin**

Work experience

1. Employer: Sciensano
 - Start date: 01/2016
 - End date:
 - Position: Scientist
 - Activities: Batch release of polysaccharide, inactivated (Hep A) and recombinant vaccines (Hep B, Malaria), In vivo & Immunology Unit Manager, GMP Audits of national and international manufacturers(QC, Production, logistics) as product expert, Quality assessor (licensing dossier, variations dossier, scientific advice), statistical process control
 - Country: Belgium
2. Employer: Institute of Public Health
 - Start date: 04/2008
 - End date: 01/2016
 - Position: Scientist
 - Activities: Batch release of polysaccharide and inactivated vaccines (Hep A&B) GMP Audits of national and international manufacturers(QC, Production, logistics) Assessment of variations, scientific advice, licensing dossier (quality part) Management of Physico_chemistry unit and Polysaccharide vaccines unit
 - Country: Belgium
3. Employer: Institute of Public Health
 - Start date: 04/2006
 - End date: 01/2009
 - Position: Laboratory coordinator
 - Activities: Lab coordination of Biological Standardization Unit Vaccine Batch release coordination (protocol review, testing), contact point for customers Management of equipment and facilities
 - Country: Belgium
4. Employer: Benechim sa
 - Start date: 02/2000
 - End date: 02/2006
 - Position: Assistant Scientific and Technical Manager
 - Activities: Lab Management, process development, process follow_up (synthesis, purification, packaging) Technology transfer from customer Audit Follow up Regulatory affairs (Drug Master File, certificate of suitability, process changes)
 - Country: Belgium
5. Employer: Galactic sa
 - Start date: 09/1996
 - End date: 12/1999
 - Position: Project Manager/Production Manager
 - Activities: Management of several production lines (calcium lactate, purification process, lactic acid recovery) Investment budget follow up (production line equipment) Buying of raw materials Personnel Training
 - Country: Belgium

Education and training

1. Subject: Louvain School of Management
 - Start date: 09/2002
 - End date: 06/2004
 - Qualification: Business degree, enterprise management
 - Organisation: Production Management; Human Resources Management; IT Finance & Accountancy; Strategy; Quantitative methods of Management, Marketing . Rem: evening courses
 - Country: Belgium
2. Subject: Catholic University of Louvain_La_Neuve
 - Start date: 09/1990
 - End date: 09/1995
 - Qualification: Master degree in Organic Chemistry
 - Organization: Organic and inorganic chemistry, analytical chemistry, polymers chemistry, surface chemistry
 - Country: Belgium

Projects

IMI Inno4vac Mermaid ST3 regulatory workpackage

Memberships

Member of the EMA Batch Release Testing Operational Expert Group (BRT OEG under supervision of 3RWP)

Invited member of the OCABR drafting group (EDQM)

Invited expert for WHO vaccine prequalification procedure

Scientific collaborator at The University of Brussels (ULB)

Other Relevant Information

National control lab joint audits: Hungary, Belarus, Germany, BGTD Canada, NIBSC London, ISS Italy, France ANSM, Bulgaria, Finland, Israel

WHO joint audits: Belgium, South Korea, India GMP audits as product expert: Belgium, Singapore, USA

WHO post-approval change management: trainer

Reviewer Human vaccines & Immunotherapeutics, Landes Bioscience
