Projects

I am actively involved in the **RAPIDE Project (Regular and Unplanned Care Adaptive Dashboard for Cross-Border Emergencies)**, funded by the **Horizon Europe Programme**, as **President of AICP (Accademia Italiana Cure Primarie)**, the **Italian partner in the consortium**.

RAPIDE aims to **enhance healthcare system resilience** by ensuring the continuity of scheduled care during unforeseen cross-border health emergencies. The project focuses on developing **adaptive tools and models** to predict and optimize patient flows, enabling healthcare services to dynamically adjust to emergency situations.

Memberships

- **Reviewer for Primary Health Care Research & Development:** Serving as a peer reviewer for the official journal of the European Forum for Primary Care (EFPC), contributing to the dissemination of research and development in primary health care.
