

Curriculum Vitae

Personal information

Annette Cleveland Nielsen

Work experience

1. Employer: Danish Medicines Agency
 - Start date: 052019
 - End date:
 - Position: Pharmacovigilance Officer, Scientific team manager
 - Activities: Pharmacovigilance assessment of EU marketed human medical products Pharmacoepidemiology team building Assessment of Assessment of epidemiological issues etc.
 - Country: Denmark
2. Employer: Eriksholm Research Centre
 - Start date: 062015
 - End date: 032019
 - Position: Project Leader and e_Health Researcher
 - Activities: Applied clinical research in chronic disease patient journeys for patients with hearing loss. Scientific publications in peer_reviewed conference presentations Project_ and stakeholder management of cross_disciplinary international research projects
 - Country: Denmark
3. Employer: Danish Veterinary and Food Administration, Dep. for Vet. Medicine and Animal welfare
 - Start date: 012009
 - End date: 062015
 - Position: Project Manager and Public Health Risk Management Advisor, Chief Consultant
 - Activities: Development and communication of evidence based public health risk management plans in especially One Health antimicrobial collaboration with human health authorities (SSI; DMA), researchers (DTU_Food; CU), and stakeholders in the pharmaceutical industry Advise Prevention and the Ministry of Food and Agriculture on AMR Member of working groups within EU and the Nordic Council on One Health AMR Council and its strategy group Project_ and stakeholder management of cross_disciplinary projects involving universities and industry Scientists
 - Country: Denmark
4. Employer: Danish Veterinary and Food Administration, Dep. of Vet. Medicines
 - Start date: 012002
 - End date: 012009
 - Position: Project Manager, Special Advisor, Epidemiologist
 - Activities: Analysis (SAS) of veterinary pharmaceuticals for supervision and audit of veterinarians on best practice in AMR treatment in a management of cross_disciplinary projects involving stakeholders and universities Analysis in SAS® of mainly zoonosis data_ BSE, Salmonella epidemiology and reporting to EU Contagious diseases programmes in relation to EU guidelines
 - Country: Denmark
5. Employer: University of Copenhagen_LIFE
 - Start date: 121999
 - End date: 012002
 - Position: PhD student in Veterinary Epidemiology
 - Activities: Research in objective evaluation of health and welfare of swine from register data and questionnaire data Hierarchical statistical repeated measurement analyses, mixed models and exploratory factor analysis
 - Country: Denmark
6. Employer: University of Copenhagen_LIFE
 - Start date: 011999
 - End date: 121999
 - Position: Research Assistant
 - Activities: Teaching in veterinary epidemiology
 - Country: Denmark
7. Employer: Danish Veterinary Administration, Division for Zoonoses
 - Start date: 101992
 - End date: 011999
 - Position: DVM
 - Activities: Risk management of the Danish Salmonella program etc. Data management and SAS® analyses in the Zoonosis register
 - Country: Denmark
8. Employer: Mixed vet. practice
 - Start date: 011991
 - End date: 101992
 - Position: DVM
 - Activities: Veterinary practice
 - Country: Denmark

Education and training

1. Subject: Copenhagen University, Atrium, DSFE
 - Start date: 012021
 - End date: 122022
 - Qualification: Pharmacoepidemiology
 - Organisation: Several courses in pharmacoepidemiology
 - Country: Denmark

2. Subject: University of Copenhagen_LIFE
 - Start date: 081983
 - End date: 011991
 - Qualification: Doctor of Veterinary Medicine (DVM)
 - Organisation: Veterinary Medicine
 - Country: Denmark
3. Subject: University of Copenhagen_LIFE
 - Start date: 121999
 - End date: 012002
 - Qualification: PhD in Veterinary Epidemiology
 - Organisation: Veterinary Epidemiology
 - Country: Denmark
4. Subject: Implement
 - Start date: 012007
 - End date: 062007
 - Qualification: Project Manager
 - Organisation: Project Management
 - Country: Denmark
5. Subject: Demant Training Academy, Oticon
 - Start date: 012017
 - End date: 032017
 - Qualification: Project Management
 - Organisation: Project management
 - Country: Denmark
6. Subject: TACK Academy
 - Start date: 012013
 - End date: 062013
 - Qualification: Coach
 - Organisation: Coaching in project management
 - Country: Denmark
7. Subject: Atrium
 - Start date: 062019
 - End date: 062019
 - Qualification: Pharmacovigilance
 - Organisation: Pharmacovigilance
 - Country: Denmark
