

Curriculum Vitae

Personal information **Stefano Pavanello**

Work experience

Since 2014, I have been leading the Unione Trapiantati Polmone di Padova, first as president until last year and now as vice-president. I have also served on the board of the European Federation for Pulmonary Fibrosis for the past five years. Additionally, I am a member and collaborator with various significant European organizations, including Eurordis, the European Lung Foundation (ELF), and the European Respiratory Society (ERS). On behalf of these organizations, I participate in conferences and various working groups.

Education and training

I have participated in numerous training meetings, including the following: the entire Eurordis Academy program; qualifying as a Patient Expert at EUPATI Italy; and completing a Master's in Patient Advocacy Management at La Cattolica University in Rome.

Additional information

Publications

I have co-authored three publications in the respiratory field.

Projects
