

## Curriculum Vitae

Personal information **Pawel Pawlowski**

### Work experience

---

1. Employer: The Office for Registration of Medicinal Products, Medical Devices and Biocidal Products
  - Start date: 02, 2022
  - End date:
  - Position: Deputy Director of the Department for Assessment of Medicinal Products Documentation
  - Activities: Department for Assessment of Medicinal Products Documentation
  - Country: Poland
2. Employer: The Office for Registration of Medicinal Products, Medical Devices and Biocidal Products
  - Start date: 01, 2021
  - End date: 07, 2022
  - Position: Head of the Unit for Quality Dossier Assessment
  - Activities: Unit for Assessment of Chemical, Pharmaceutical and Biological Documentation in the Department for Assessment of Medicinal Products Documentation
  - Country: Poland
3. Employer: The Office for Registration of Medicinal Products, Medical Devices and Biocidal Products
  - Start date: 02, 2019
  - End date: 12, 2020
  - Position: Senior Expert for Quality of Drug Products
  - Activities: Unit for Assessment of Variations and Renewals, Department for Variations and Renewals of Drug Products
  - Country: Poland
4. Employer: The Office for Registration of Medicinal Products, Medical Devices and Biocidal Products
  - Start date: 10, 2018
  - End date: 02, 2019
  - Position: External expert for quality assessment of drug products
  - Activities: Assessment of a quality documentation in variation procedures and authorization procedures for clinical trials of IMP
  - Country: Poland
5. Employer: EED Technology Ltd.
  - Start date: 01, 2018
  - End date: 12, 2018
  - Position: Chief Technologist
  - Activities: Supervision and management of research laboratory; works on physiochemistry of materials surface for use in mining industry; planning and implementation of research & development works; research of scientific literature; preparation of materials for patents and constant contact with patent offices; preparation of applications for public co-financing and public-private investment funds; reporting
  - Country: Poland
6. Employer: Zakłady Farmaceutyczne Polpharma S.A.
  - Start date: 09, 2017
  - End date: 12, 2017
  - Position: Senior Specialist for Drug Products Registration
  - Activities: Completing, preparing and internal assessment of the quality documentation for registration, renewal and variation procedures
  - Country: Poland
7. Employer: The Office for Registration of Medicinal Products, Medical Devices and Biocidal Products
  - Start date: 01, 2013
  - End date: 08, 2017
  - Position: Senior Expert for Quality of Drug Products
  - Activities: Section for Assessment of Chemical, Pharmaceutical and Biological Documentation, Department for Assessment of Medicinal Products Documentation
  - Country: Poland
8. Employer: BP Techem S.A.
  - Start date: 01, 2012
  - End date: 12, 2012
  - Position: Sales Engineer
  - Activities: Sales probes, sensors and analyzers for continuous measurement of gas or aqueous raw materials, semi-finished products and products Design of sample preparation (filtration, homogenization, supply, fittings) continuous metering systems, along with the option to use PLCs and programming of analog and digital communications (Modbus, Profibus); control devices in the feedback loop (PID controller)
  - Country: Poland
9. Employer: Reckitt Benckiser
  - Start date: 10, 2009
  - End date: 07, 2011
  - Position: Research Assistant at R&D
  - Activities: Physico-chemical evaluation and supervision of database documentation concerning raw materials, process steps (semi-finished) products and formulas Conducting research project on new household product
  - Country: Poland
10. Employer: University of Cambridge
  - Start date: 02, 2008
  - End date: 10, 2008

- Position: Research Assistant
  - Activities: Research work on solid-state sensors and biosensors based on conducting polymers in Institute of Biotechnology (since 2009 Department of Chemical Engineering and Biotechnology) Organic synthesis
  - Country: United Kingdom
11. Employer: Plastnews
- Start date: 02, 2007
  - End date: 09, 2007
  - Position: Editor
  - Activities: Editing technical articles on the production and plastics and financial on factoring and grants from EU cohesion funds
  - Country: Poland
12. Employer: High School no. 67 (non-public)
- Start date: 09, 2003
  - End date: 06, 2006
  - Position: Teacher
  - Activities: Chemistry teacher in non-public High School no. 67 named Stefan Kisielewski
  - Country: Poland

## Education and training

---

- Subject: 11th International Granulation Workshop
  - Date: 06, 2025
  - Qualification: Training
  - Organisation: University of Sheffield
  - Country: United Kingdom
- Subject: Biological drug products - legal aspects
  - Date: 12, 2019
  - Qualification: Training
  - Organisation: Faculty of Law and Administration, Cardinal Stefan Wyszyński University & Chamber of Commerce "Polish Pharmacy"
  - Country: Poland
- Subject: Qualitative and quantitative laboratory analysis by HPLC and GC method with UV or MS detector
  - Date: 12, 2016
  - Qualification: Training
  - Organisation: Faculty of Chemistry, Maria Curie-Skłodowska University
  - Country: Poland
- Subject: HPLC, GC, Ion-Exchange Chromatography
  - Date: 09, 2016
  - Qualification: Training
  - Organisation: Institute of Environmental Engineering, Polish Academy of Science (Prof. Rajmund Michalski, MD, PhD)
  - Country: Poland
- Subject: Monitoring methods of technological processes and in-situ optimization of physico-chemical transformations
  - Date: 04, 2016
  - Qualification: Training
  - Organisation: Mettler Toledo
  - Country: Poland
- Subject: Validation of manufacturing processes of drug products – traditional approach vs. continuous process verification
  - Date: 10, 2015
  - Qualification: Training
  - Organisation: Danuta Przykucka, MSc
  - Country: Poland
- Subject: Good Weighing Practice – theory and reality. Metrological aspects
  - Date: 04, 2013
  - Qualification: Training
  - Organisation: Mettler Toledo
  - Country: Poland
- Subject: International Workshop on Electrochemistry of Electroactive Materials
  - Date: 08, 2009
  - Qualification: Training
  - Organisation: Faculty of Chemistry, University of Warsaw
  - Country: Poland
- Subject: The 3rd international workshop and the XVIth international meeting of the electrochemical section of the Polish chemical society – Surface Modifications for Chemical and Biochemical Sensing
  - Date: 11, 2007
  - Qualification: Training
  - Organisation: Institute of Physical Chemistry, Polish Academy of Science
  - Country: Poland
- Subject: International Summer School on thin solid films for OLED's optoelectronic applications
  - Date: 07, 2007
  - Qualification: Training
  - Organisation: Institute of Physical Chemistry, Polish Academy of Science
  - Country: Poland
- Subject: Analytical chemistry, electrochemistry, electroanalysis, phase boundary and charge transfer chemistry, chemistry of complexes, mass spectroscopy; electrochemical sensors, ion-selective electrodes, biosensors, conductive polymers, ion-exchange membranes.
  - Start date: 10, 2004
  - End date: 12, 2014
  - Qualification: Ph.D in chemistry
  - Organisation: University of Warsaw
  - Country: Poland
- Subject: Electroanalysis of organic compounds, electrochemistry of organic compounds, chemistry of complexes, organic synthesis.
  - Start date: 09, 1999
  - End date: 07, 2004
  - Qualification: M.Sc in chemistry
  - Organisation: University of Warsaw
  - Country: Poland

## Additional information

---

### Publications

Publications in the field of analytical chemistry, electrochemistry, organic chemistry, polymers, sensors, biosensors (Talanta, Electroanalysis, Journal of Physical Organic Chemistry, Journal of Solid State Electrochemistry).

[Projects](#)

[Memberships](#)

Polish alternate for the CMDh since 08, 2020
