

Curriculum Vitae

Personal information **Madeline Pe**

Work experience

1. Employer: EORTC

- Start date: February 2023
- End date: Present
- Position held: Head of Quality of Life Department
- Country: Belgium
- Activities in the position: oversee all the management and scientific activities on quality of life and patient reported outcomes at the EORTC

2. Employer: EORTC

- Start date: October 2016
- End date: February 2023
- Position held: Specialist in Quality of Life
- Country: Belgium
- Activities in the position: Support the QOL activities of the EORTC Quality of Life group network. Support the scientific activities of the EORTC relating to quality of life (including external collaborations)

3. Employer: EORTC

- Start date: January 2016
- End date: October 2016
- Position held: Quality of Life fellow
- Country: Belgium
- Activities in the position: lead in the scientific and coordination activities for the start-up of the SISAQOL program (Setting International Standards in Analyzing Patient-Reported Outcomes and Quality of Life Endpoints Data)

4. Employer: KU Leuven

- Start date: October 2010
- End date: January 2016
- Position held: Doctoral / Post-doctoral research fellow
- Country: Belgium
- Activities in the position: conceptualise, design, collect, analyse and interpret data that evaluates the relationship between cognitive functioning and emotional functioning in daily life. This position involved advanced statistical skills to analyse intensive longitudinal data from smart phones (self-report questionnaires) and reaction time data from laboratory tasks (for cognitive tasks).

5. Employer: National Institute of Education

- Start date: March 2009
- End date: September 2010
- Position held: Research Associate
- Country: Singapore
- Activities in the position: lead in the nationwide data collection and analysis of longitudinal data on the relationship between cognitive functioning and mathematics achievement. My primary task was to oversee the data collection and analyse the data from the study.

6. Employer: Immaculate Conception Academy

- Start date: June 2004
- End date: April 2007
- Position held: High school teacher
- Country: Philippines
- Activities in the position: Teach English literature to senior high school students

Education and training

1. Education: KU Leuven

- Start date: 2010
- End date: 2015
- Qualification: PhD in Psychology
- Organisation:
- Country: Belgium
- Subjects/skills covered by the education or training: conceptualise, design, analyse and interpret intensive longitudinal data for psychological outcomes. Analysis of complex longitudinal questionnaire data was a requirement of the PhD.

2. Education: Nanyang Technological University

- Start date: 2007
- End date: 2009

- Qualification: Master of Arts by research
- Organisation:
- Country: Singapore
- Subjects/skills covered by the education or training: research on measuring creativity among Singaporean students; courses in advanced statistics including regression analysis and structural equation modeling to analyse data for education research

3. Education: Ateneo de Manila University

- Start date: 2000
- End date: 2004
- Qualification: Bachelor of Science in Psychology
- Organisation:
- Country: Philippines
- Subjects/skills covered by the education or training: this is a pre-medical course which is mainly focused on psychology and supplemented with scientific courses for medical school.

Projects

- 2024 - present: Principal investigator, Developing a strategy to ensure EORTC QLG measures fit changing standards for cancer clinical trials
- 2022 - present: Principal investigator, Improving Compliance Rates in EORTC Cancer Clinical Trials
- 2020 - present: Academic and scientific lead, Setting International Standards for the Analysis of Quality of Life and Patient Reported Outcome Data in Cancer Clinical Trials (SISAQOL-IMI) Consortium

Memberships

- 2025: Co-Chair of the EORTC QOL in cancer clinical trials conference
- 2024 - present: Extended Working Group Member, ESMO-MCBS
- 2024 - present: Invited faculty member, EORTC/ESMO/AACR Methods in Cancer Clinical Research Workshop
- 2024: Co-Organiser, EMA/EORTC PROs in Oncology workshop for regulatory decision making
- 2020 - 2024: International advisory board member, *The Lancet Oncology*
- 2023 and 2024: Speaker, FDA Clinical Outcome Assessments in Cancer Clinical Trial
- 2019: Session co-moderator, FDA-ASCO Public Workshop: Clinical Outcome Assessments in Cancer Clinical Trial
