

Curriculum Vitae

Personal information **Benoit Courty**

Work experience

1. Employer: Anses _ French Agency for Veterinary Medicinal Products
 - Start date: 032020
 - End date:
 - Position: Head of Scientific Expertise Unit
 - Activities: Management of the Scientific Expertise Unit (15 experts) Assessment of pharmaceutical quality for product authorizations and variations of existing authorisations Hazard & risk assessment for human health related to the use of veterinary medicinal products. Hazard & risk assessment for animals and the environment related to the use of veterinary medicinal products. Efficacy and benefits assessment related to the use of veterinary medicinal products Benefit/Risk assessment ERAWP Member
 - Country: France
2. Employer: Anses _ French Agency for Veterinary Medicinal Products
 - Start date: 012016
 - End date: 022020
 - Position: Rapporteur for European procedures
 - Activities: Hazard & risk assessment for animals and the environment related to the use of veterinary medicinal products. Hazard & risk assessment for human health related to the use of veterinary medicinal products. Efficacy and benefits assessment related to the use of veterinary medicinal products.
 - Country: France
3. Employer: Anses _ Regulated Products Directorate
 - Start date: 072010
 - End date: 122015
 - Position: Biocidal products referent
 - Activities: Biocidal products referent of the Regulated Products Directorate. French contact point for all regulatory and scientific issues related to the authorization of biocidal products. Member of the European Coordination Group on biocidal products established by Regulation (EU) 528/2012. Hazard & risk assessment for animals and the environment related to the use of biocidal products. Hazard & risk assessment for human health related to the use of biocidal products. Efficacy and benefits assessment related to the use of biocidal products. Validation and critical review of assessment reports and opinions of the Agency. Representation of the Agency at European level: Biocides Competent Authorities and related working groups organized by the European Commission and/or the European Chemicals Agency (ECHA).
 - Country: France
4. Employer: Afssa _ Vegetal and Environment Directorate
 - Start date: 092006
 - End date: 062010
 - Position: Project Officer
 - Activities: Hazard & risk assessment for animals and the environment related to the use of plant protection products. Hazard & risk assessment for human health related to the use of plant protection products. Efficacy and benefits assessment related to the use of plant protection products. Coordination of the assessment of authorization applications for plant protection products. Coordination of the French Expert Committee on the Evaluation of Phytopharmaceutical Substances and Préparations. Management and coordination of the French database "Agritox", database on toxicity, ecotoxicity, fate and behaviour in the environment and regulatory data on pesticides active substances, participating in OECD' "Echemportal" database.
 - Country: France
5. Employer: National Institute for Agricultural Research
 - Start date: 092005
 - End date: 082006
 - Position: Study engineer
 - Activities: Coordination of the assessment of authorization applications for plant protection products. Synthesis and critical review of expert reviews from the French Committee on Toxics. Coordination of a working group on residues in plants.
 - Country: France
6. Employer: Pasteur Institute (Lille) _ Genetic Toxicology Laboratory
 - Start date: 072004
 - End date: 082005
 - Position: Scientific Research Activity
 - Activities: Research _ Development of an in vitro evaluation method to determine soil's mutagenic potency. Laboratory expertise activities: in vitro and in vivo genotoxicity tests.
 - Country: France

Education and training

1. Subject: University of pharmacy _ Lille
 - Start date: 092002
 - End date: 062003
 - Qualification: Master 2 _ Environmental and industrial biotoxicology
 - Organisation:
 - Country: France

2. Subject: University of sciences _ Lille
- Start date: 092000
 - End date: 062001
 - Qualification: Master 1 _ Biology of populations & ecosystems
 - Organisation:
 - Country: France
3. Subject: University of sciences _ Reims
- Start date: 091999
 - End date: 062000
 - Qualification: Master 1 _ Biochemistry
 - Organisation:
 - Country: France
