

Curriculum Vitae

Personal information **Nicole Scobie**

Work experience

2015- present

[ACCELERATE](#)

Chair of the Board - since 2024

Steering Committee Member- since 2015

Oversight Committee Member - Paediatric Strategy Forums - 2015 to 2024

International Collaboration WG co-chair - 2017 to 2023

PROs WG co-chair - 2022 to 2024

ACCELERATE is an international multi-stakeholder organization which seeks to address and find solutions to overarching issues with pediatric oncology drug development

Brussels, Belgium

2020-present

[ITCC](#) (Innovative Therapies for Children with Cancer)

Advocate Committee founding member

Member of the HEMA Tumour Group

Member of the Sponsor Committee

Member of the Industry Strategy Committee

ITCC is a clinical trials network focused on delivering new treatments for children and adolescents with cancer through collaborative research and clinical trials. The ITCC consortium stands as one of the largest collaborative groups in the field of paediatric oncology, uniting leading paediatric oncology centres, researchers, and industry partners across Europe and beyond.

Paris, France

2024-present

[CAC2](#)

Board Member

CAC2 is an international umbrella organization which effectively advances a variety of childhood cancer causes by unifying the childhood cancer community through broad-based coordinated action and collaboration that leverages the strengths and expertise of its members and minimizes duplication of effort.

Based in US, international NGO

2024-present

[LifeArc](#)

Scientific Advisory Board

LifeArc is a medical research charity, which collaborates with international partners to get medical breakthroughs to patients faster.

UK

2021-present

[SIOPE](#) (Neuroblastoma SIOPE Group)

Advocate Committee Founding Member

Member of Finance Committee

Member of New Drug Development Committee

Vienna, Austria

2016- present

[Childhood Cancer International Europe](#)

Committee member until 2022 and still member of Research &Innovation Pillar

Vienna, Austria

2020-present

[BrigaPed](#)

Clinical trial Steering Committee Member

Princess Maxima Center

Utrecht, Netherlands

2019-present

[Glo-BNHL Clinical Trial](#)

Trial Management Group

Birmingham, UK

2017- 2021

[Childhood Cancer International](#)

Board Member

Responsible for the Research Portfolio

Lisbon, Portugal

2018-2022

[SIOPe](#) (International Pediatric Oncology Society- Europe)

Scientific Committee Member

Brussels, Belgium

2021-2022

[SIOP](#) (International Pediatric Oncology Society)

SIOPE Meeting Scientific Committee

Geneva Switzerland

2013-present

[Zoé4life](#)

President Emeritus

Founding member

Past-President (2013-2024)

Zoé4life is a registered charity which supports children with cancer and their families as well as research.

Switzerland

Education and training

2024

Graduate

EUPATI Patient Expert Fellow Training Programme

Madrid, Spain

2018

Certificate

Master Class in Cancer Patient Advocacy

European School of Oncology

Lisbon, Portugal

1995

Air Traffic Controller Licence
Transport Canada Training Institute
Canada

1989

Private and Commercial Pilot Licence
Toronto, Ontario, Canada

Additional information

Publications

Paediatric strategy forum for medicinal product development of PI3-K, mTOR, AKT and GSK3 β inhibitors in children and adolescents with cancer
