

Curriculum Vitae

Personal information **Carla Torre**

Work experience

European Medicines Agency

1.
 - Start date: 112023
 - End date:
 - Position: Pharmacovigilance Risk Assessment Committee (PRAC) Alternate Member for Portugal
 - Activities:
 - Country: Netherlands

European Medicines Agency

1.
 - Start date: 062022
 - End date:
 - Position: Member of the Methodology Working Party
 - Activities:
 - Country: Netherlands

European Medicines Agency

- Start date: 022021
1.
 - End date:
 - Position: Co_opted Member of the Committee for Medicinal Products for Human Use (CHMP)
 - Activities:
 - Country: Netherlands

INFARMED _ Portuguese National Authority of Medicines and Health Products

1.
 - Start date: 122020
 - End date:
 - Position: Member of the Evaluation Board of Medicines
 - Activities:
 - Country: Portugal

INFARMED _ Portuguese National Authority of Medicines and Health Products

1.
 - Start date: 122020
 - End date:
 - Position: Assessor
 - Activities:
 - Country: Portugal

Faculty of Pharmacy of the University of Lisbon

1.
 - Start date: 092018
 - End date:
 - Position: Assistant Professor
 - Activities: Professor responsible for the courses of

Pharmacoepidemiology, Pharmacovigilance and Risk Management of Medicines and Health Products from the Integrated Master of Pharmaceutical Sciences. Carla Torre is the co_coordinator of the Master in Regulation and Evaluation of Medicines and Health Products and lectures PhD courses within the pharmacoepidemiology, pharmacovigilance and regulatory science field.

- Country: Portugal

Portuguese Pharmaceutical Society

1.
 - Start date: 072016
 - End date: 032022
 - Position: Secretary General
 - Activities:
 - Country: Portugal

Pharmacovigilance Unit of Lisboa, Setubal and Santarém _ INFARMED, National Authority of Medicines and Health Products I.P

1.
 - Start date: 122016
 - End date:
 - Position: Pharmacoepidemiology Expert
 - Activities:
 - Country: Portugal

Faculty of Pharmacy of the University of Lisbon

1.
 - Start date: 012010
 - End date: 082018
 - Position: Guest Lecturer
 - Activities:
 - Country: Portugal

Center of Pharmacoepidemiology and Outcomes Research _ National Association of Pharmacies

1.
 - Start date: 022009
 - End date: 072016
 - Position: Head of Pharmacoepidemiology division
 - Activities:
 - Country: Portugal

Ministry of Health (National Coordination for HIV/AIDS)

1.
 - Start date: 022006
 - End date: 022009
 - Position: Advisor to the National Coordinator for HIV/AIDS

 - Country: Portugal

Education and training

1. Subject: London School of Hygiene & Tropical Medicine
 - Start date: 2019
 - End date: 2020
 - Qualification: Postgraduate Professional Development course in Pharmacoepidemiology and Pharmacovigilance (Certificate of Achievement in Pharmacoepidemiology and Pharmacovigilance)
 - Organisation: Certificate of Achievement in Pharmacoepidemiology and Pharmacovigilance
 - Country: United Kingdom
2. Subject: Faculty of Pharmacy of the University of Lisbon
 - Start date: 2012
 - End date: 2018
 - Qualification: Doctorate degree (PhD) in Pharmacy, specialization in Pharmacoepidemiology
 - Organisation:
 - Country: Portugal
3. Subject: McGill University
 - Start date: 2015
 - End date: 2015
 - Qualification: Specialization course in Pharmacoeconomics

- Organisation:
- Country: Canada
- 4. Subject: McGill University
 - Start date: 2015
 - End date: 2015
 - Qualification: Specialization course in Advanced Pharmacoepidemiology
 - Organisation:
 - Country: Canada
- 5. Subject: McGill University
 - Start date: 2014
 - End date: 2014
 - Qualification: Specialization course in Intermediate Pharmacoepidemiology
 - Organisation:
 - Country: Canada
- 6. Subject: McGill University
 - Start date: 2014
 - End date: 2014
 - Qualification: Specialization course in Basic Pharmacoepidemiology
 - Organisation:
 - Country: Canada
- 7. Subject: University of Groningen
 - Start date: 2013
 - End date: 2013
 - Qualification: International Meyler course in Pharmacovigilance
 - Organisation:
 - Country: Netherlands
- 8. Subject: Utrecht Institute for Pharmaceutical Sciences, Division of Pharmacoepidemiology and Clinical Pharmacology, Faculty of Science, Utrecht University
 - Start date: 2012
 - End date: 2012
 - Qualification: Specialization course in Pharmaceutical Policy
 - Organisation:
 - Country: Netherlands
- 9. Subject: Utrecht Institute for Pharmaceutical Sciences, Division of Pharmacoepidemiology and Clinical Pharmacology, Faculty of Science, Utrecht University
 - Start date: 2011
 - End date: 2011
 - Qualification: Specialization course in Pharmacoepidemiology and Drug Safety
 - Organisation:
 - Country: Netherlands
- 10. Subject: NOVA Medical School, New University of Lisbon
 - Start date: 2010
 - End date: 2010
 - Qualification: Post_graduation specialization course in Statistics Applied to Clinical Research
 - Organisation:
 - Country: Portugal
- 11. Subject: Faculty of Medicine of the University of Porto
 - Start date: 2006
 - End date: 2009
 - Qualification: Master's degree (MSc) in Epidemiology
 - Organisation:
 - Country: Portugal
- 12. Subject: Faculty of Law of the University of Coimbra
 - Start date: 2005
 - End date: 2006
 - Qualification: Post_graduation Diploma (PgD) in Pharmacy and Medicinal Products Law
 - Organisation:
 - Country: Portugal
- 13. Subject: Faculty of Pharmacy of the University of Lisbon
 - Start date: 1998
 - End date: 2004
 - Qualification: Pharmaceutical Sciences degree (PharmD)
 - Organisation: Pharmaceutical Sciences and Pharmacy degree with a 5_year curriculum and 6 months internship in community and hospital pharmacy
 - Country: Portugal

Additional information

Publications

Carla Torre has authored/co-authored several full articles in peer review journals, book chapters/reports and presented scientific congress communications (oral communications, invited speaker, and posters). A selection of relevant scientific full peer-reviewed publications are available on ORCID: 0000-0002-5542-9993 | Scopus Author ID: 35724633000 | Ciência ID: 9F11-9E8F-CDF2.

Projects

I am involved in the project (More-EUROPA). More-EUROPA focuses on the more effective and ethical use of registry data to support patient-centered decisions by drug regulators and Health Technology Assessment (HTA) agencies. The project is funded by the Horizon Europe framework programme. The project involves 14 public and private organizations from seven EU countries. The aim of this project is to develop, implement and establish evidentiary standards and methods to address the data and evidentiary needs of regulatory authorities and HTA bodies towards a more efficient use of RWD for the development, registration and assessment of medicinal products in Europe.

Memberships

Member of the International Society for Pharmacoepidemiology, being actively involved in the Special Interest Group (SIG) of Drug Utilization and Health Services Research. Member of the Diversity and Inclusion Task_Force (ISPE). Member of the Board of the Portuguese Scientific Society for Clinical Pharmacy and Pharmacotherapy. Member of the Portuguese Association of Epidemiology. Member of the National Commission for Public Health Reform, Directorate-General for Health, Ministry of Health. Member of the Scientific Council of the National Programme for Diabetes, Directorate-General for Health, Ministry of Health. Member of the International Society of Pharmacovigilance (ISoP). Member of the John Snow Society. Member of the Steering Group of the European Drug Utilization Group (Euro DURG).
