

Curriculum Vitae

Personal information **Konstantia Tasioudi**

Work experience

1. Employer: Ministry of Rural Development and Food

- Start date: 012014
- End date:
- Position: Veterinarian
- Activities:

Responsible veterinarian in the Virology Laboratory, Department of Molecular Diagnostics, FMD, Virological, Rickettsial and Exotic diseases, Athens Veterinary Center, Ministry of Rural Development and Food. The Virology Laboratory is the National Reference Laboratory for six animal diseases (Rabies, Bluetongue, Pox/Lumpy skin disease, African Horse Sickness, Rift Valley fever, Epizootic Hemorrhagic Disease) and it is one of the approved rabies serology laboratories by the European Commission. Responsible for the quality system ISO 17025:2005 for the techniques "Bluetongue antibody detection by ELISA, Rabies antibody detection by ELISA and Rabies antigen detection by Fluorescent antibody test (FAT)".

- Country: Greece

2. Employer: Ministry of Rural Development and Food

- Start date: 102011
- End date: 122014
- Position: Veterinarian
- Activities:

Head of the Virology Department p.p., Institute of Infectious and Parasitic Diseases, Athens Center of Veterinary Institutes, Ministry of Rural Development and Food. Responsible for the quality system ISO: 17025:2005 for the technique " Bluetongue Antibody detection by ELISA".

- Country: Greece

3. Employer: Ministry of Rural Development and Food

- Start date: 122007
- End date: 102011
- Position: Veterinarian
- Activities:

Veterinarian of Virology Department, Institute of Infectious and Parasitic Diseases, Athens Center of Veterinary Institutes, Ministry of Rural Development and Food.

- Country: Greece

4. Employer: Ministry of Rural Development and Food

- Start date: 012002
- End date: 122007
- Position: Veterinarian
- Activities:

Veterinarian in Microbiology Department, Veterinary Laboratory of Tripoli, Ministry of Agriculture.

- Country: Greece

5. Employer: Ministry of Rural Development and Food

- Start date: 042001
- End date: 122001
- Position: Veterinarian
- Activities:

Veterinarian (Brucellosis eradication program) in the Peripheral Veterinary Office of Korinthos.

- Country: Greece

Education and training

1. Subject: International Hellenic University

- Start date: 102021
- End date: 022023
- Qualification: Master Degree in Sustainable Agriculture and Business
- Organisation:
- Country: Greece

2. Subject: International Hellenic University

- Start date: 012017
- End date: 012019
- Qualification: Master Degree in "Executive MBA"
- Organisation:
- Country: Greece

3. Subject:
 - Start date: 042008
 - End date: 032014
 - Qualification: PhD degree in "Molecular Medicine"
 - Organisation:
 - Country: Greece
4. Subject:
 - Start date: 092003
 - End date: 102005
 - Qualification: Master degree in "Medical Biology"
 - Organisation:
 - Country: Greece
5. Subject:
 - Start date: 091996
 - End date: 032001
 - Qualification: Diploma in Veterinary Medicine
 - Organisation:
 - Country: Greece

Projects

HORIZON 2020 _ "DEFEND" project entitled "Addressing the dual emerging threats of African Swine Fever and Lumpy Skin Disease in Europe.

Memberships

_ Member of the Immunologicals Working Party (IWP) in European Medicines Agency (EMA) since 2017. _ EBSA (European Biosafety Association) member for 2021. _ Greek National Coordinator and focal person for the Greek ZODIAC National Laboratory (ZNL) in IAEA's Zoonotic Disease Integrated Action (ZODIAC) project. _ Partner in HORIZON 2020 _ "DEFEND" project entitled "Addressing the dual emerging threats of African Swine Fever and Lumpy Skin Disease in Europe. _ Member of the Rabies Scientific Committee in the Ministry of Rural Development and Food. _ Member of the Bluetongue Scientific Committee in the Ministry of Rural Development and Food. _ Member of the National Committee for the evaluation of rabies oral vaccines for red foxes in 2013.
