

Curriculum Vitae

Personal information **Luz Veth-Tello**

Work experience

1. Employer: Medicines Evaluation Board
 - Start date: 092004
 - End date:
 - Position: Senior Regulatory Project Leader
 - Activities: Regulatory Affairs
 - Country: Netherlands
2. Employer: Leiden University
 - Start date: 081995
 - End date: 082004
 - Position: Assistant Research Fellow
 - Activities: Research assistant and PhD_thesis
 - Country: Netherlands
3. Employer: Leiden University/Bio_Pharmaceutical sciences
 - Start date: 101992
 - End date: 061993
 - Position: Research assistant
 - Activities:
 - Country: Netherlands

Education and training

1. Subject: PhD Molecular Biology
 - Start date: 1995
 - End date: 2001
 - Qualification: PhD
 - Organisation: Leiden University
 - Country: Netherlands
2. Subject: Plant Molecular Biology
 - Start date: 1993
 - End date: 1995
 - Qualification: Master of Science
 - Organisation: Leiden University
 - Country: Netherlands
3. Subject: UNESCO post-graduate training Plant Molecular Biology
 - Start date: 1991
 - End date: 1992
 - Qualification: Post-graduate course
 - Organisation: International Cell Research Organisation and Hungarian Academy of Sciences

Biological Research Centre, Szeged

 - Country: Hungary
4. Subject: Biology Genetics
 - End date: 1987
 - Qualification: Bachelor of Science
 - Organisation: Universidad del Valle
 - Country: Colombia
