

Curriculum Vitae

Personal information **Wojciech Dymowski**

Work experience

1. Employer: Akademia Medyczna w Warszawie. Wydział Farmaceutyczny. Zakład Biologii i Botaniki Farmaceutycznej
 - Start date: 1981
 - End date: 1992
 - Position: assistant, assistant lecturer, adiunct, technical assistant
 - Activities: Teaching of students. Experimental work in the area of plant biotechnology and phytochemistry (Liriodendron tulipifera, Maytenus sp., Taxus sp.).
 - Country: Poland
2. Employer: Instytut Leków w Warszawie. Biuro Rejestracji Środków Farmaceutycznych i Materiałów Medycznych
 - Start date: 1992
 - End date: 2002
 - Position: adiunct
 - Activities: Head of sector of herbal medicines assessment. Assessment of safety and efficacy of herbal medicines and of summary reports preparation.
 - Country: Poland
3. Employer: Urząd Rejestracji Produktów Leczniczych, Wyrobów Medycznych i Produktów Biobójczych
 - Start date: 10.2002
 - End date:
 - Position: Senior expert
 - Activities: Safety and efficacy assessment of herbal medicinal products. Assessment reports preparation.
 - Country: Poland
4. Employer: Urząd Rejestracji Produktów Leczniczych, Wyrobów Medycznych i Produktów Biobójczych
 - Start date: 10.2002
 - End date:
 - Position: Senior expert
 - Activities: Safety and efficacy assessment of herbal medicinal products. Assessment reports preparation.
 - Country: Poland

Education and training

1. Subject: General pharmaceutical studies. Pharmaceutical analytics (second level).
 - Start date: 10.1974
 - End date: 09.1979
 - Qualification: Master of Pharmacy 1979
 - Organisation: Akademia Medyczna w Warszawie
 - Country: Poland
2. Subject: Postgraduate studies in the area of experimental work methodology. Methods of plant biotechnology. Phytochemical methods in medicinal plant analysis
 - Start date: 10.1979
 - End date: 1981
 - Qualification: Doctor of pharmaceutical sciences 01.1986
 - Organisation: Akademia Medyczna w Warszawie
 - Country: Poland
3. Subject: Assessment of different kind of applications for medicinal products authorisations and variations
 - Start date: 06.1999
 - End date: 06.1999
 - Qualification: Certificate
 - Organisation: Instytut Leków w Warszawie/WHO Essential Drugs and Other Medicines. Department of the Pharmaceuticals. Programme of the European Regional Office
 - Country: Poland
4. Subject: Training course on EU Pharmaceutical System and Legislation. Using of Pharmaceutical law. Principles of safety, non clinical and clinical assessments
 - Start date: 2003
 - End date: 07.2004
 - Qualification: Certificate of Training course
 - Organisation: Phare Twinning Project on Medicinal Products between Poland and Spain
 - Country: Poland
5. Subject: Assessment of safety and efficacy of herbal medicinal products. Trainings on regulation concerning herbal medicinal products, pharmacovigilance, preclinical assessment, clinical assessment, European Procedures, responsibilities and communication
 - Start date: 05.2004
 - End date: 04.2005
 - Qualification: Certificate of training
 - Organisation: Phare Twinning Project between Poland and Germany
 - Country: Poland
6. Subject: Training: Evidence Based Medicine and Health Technology Assessment. Using of the rules of Evidence Based Medicine in the assessment of medicinal products efficacy/effectiveness
 - Start date: 06.2007

- End date: 06.2007
 - Qualification: Certificate of the Training
 - Organisation: Twinning Project PL2005/JB/S between Ministries of Health of French and Polish Republics
 - Country: Poland
7. Subject: Training Workshop on Traditional Korean Medicine in Modern Health Care. Integration of traditional medicine in contemporary national healthcare system
- Start date: 11.2014
 - End date: 11.2014
 - Qualification: Training: Workshop on Traditional Korean Medicine in Modern Health Care.
 - Organisation: School of Korean Medicine. Pusan National University
 - Country: South Korea (Republic of Korea)
