CHMP meeting 19-22 January 2015

The main organisational topics addressed during the January meeting related to:

- The appointment of CHMP representatives to the CAT: the Co-opted members Sol Ruiz and Jean-Louis Robert proposed their CAT alternates. The CHMP appointed Marcos Timón as alternative to Sol Ruiz and Guy Berchem was appointed as alternative to Jean-Louis Robert.
- The nomination of Mrs Eva Kolouchava from Czech Republic as an expert to the Safety Working Party.
- The nomination of Andreas Brandt from Germany as an observer to the Biostatistics Working Party.
- The nomination of Karin Weisser from Germany as an observer to Pharmacokinetics Working Party.
- CHMP was informed about the updated framework of interaction with patients and consumers. The new framework had been adopted by the EMA Management Board in December 2014. One of the objectives of the revised framework is to increase the involvement of patients in the benefit/risk evaluation as well as measuring the impact of patients' involvement.
- Report from Alzheimer's disease EMA workshop, which was held on 24-25 November 2014.
- Update on Ebola epidemiology in Africa.
- Information about CHMP/CAT meeting under Latvian Presidency.
