

## Curriculum Vitae

### Personal information David Chauvier

#### Work experience

---

1. Employer: ANSM
  - Start date: 102018
  - End date:
  - Position: Non Clinical Assessor
  - Activities: scientific and regulatory assessor, non\_clinical evaluation for clinical trials for Phase II\_III in neurology field, Marketing Authorization, MSA, variations, worksharing, national advices
  - Country: France
2. Employer: ANSM
  - Start date: 032017
  - End date: 092018
  - Position: Non Clinical Assessor
  - Activities: scientific and regulatory assessor, non\_clinical evaluation for Phase I clinical trials
  - Country: France
3. Employer: Oroxcell
  - Start date: 072016
  - End date: 012017
  - Position: Preclinical project manager
  - Activities: preclinical drug development project in the field of neurology, nociceptive/neuropathic pain management with associated anxiety\_depression disorders
  - Country: France
4. Employer: PupPharma
  - Start date: 082010
  - End date: 022015
  - Position: CEO & CSO
  - Activities: CEO, operational managing director of PupPharma S.A.S (innovative preclinical Contract Research Organization in the field of perinatal/pediatric safety and efficacy pharmacology services) & CSO (site & study director for innovative R&D and customized contract services: juvenile & neonatal animal models development, primary & secondary pharmacology, safety pharmacology, CNS, respiratory system, sexual maturation, cognition, brain toxicity...)
  - Country: France
5. Employer: Theraptosis
  - Start date: 022008
  - End date: 032009
  - Position: Head of cell/organ protection unit
  - Activities: R&D; preclinical regulatory development in neurology, cardiology, hepatoprotection, paediatrics/neonatology, in vitro & in vivo pharmacology, drug design, caspase inhibitors, animal models), TOXicology, safety, pharmacology, ADME \_ PK
  - Country: France
6. Employer: Theraptosis
  - Start date: 092004
  - End date: 012008
  - Position: Head of neuroprotection unit
  - Activities: R&D; preclinical regulatory development, in vitro & in vivo pharmacology, CNS, drug design, caspase inhibitors, animal models, TOXicology, safety, pharmacology, ADME \_ PK
  - Country: France
7. Employer: Theraptosis
  - Start date: 032002
  - End date: 082004
  - Position: research scientist in oncology & neurology
  - Activities: R&D; preclinical development; in vitro pharmacology, drug design; oncology, neurology, cardiology, caspase inhibitors, mitochondria), TOXicology, safety, pharmacology, ADME \_ PK
  - Country: France

#### Education and training

---

1. Subject: University of Pharmacy (Reims)
  - Start date: 091998
  - End date: 122001
  - Qualification: Ph.D in Pharmaceutical Sciences
  - Organisation: oncology field at physics/biology interface (microspectroscopy, topoisomerase inhibitors, camptothecin series)
  - Country: France
2. Subject: Ecole Pratique des Hautes Etudes, Dijon, France.
  - Start date: 2006
  - End date: 2006
  - Qualification: Certificate of animal experimentation Level I
  - Organisation: animal experimentation, handling, ethics
  - Country: France
3. Subject: Veterinary school of Nantes, France

- Start date: 2006
  - End date: 2006
  - Qualification: Certificate for experimental surgery
  - Organisation: animal surgery (small species)
  - Country: France
4. Subject: Veterinary School of Nantes, France
- Start date: 2010
  - End date: 2010
  - Qualification: training in experimentation and surgery on large animals
  - Organisation: Complementary training in experimentation and surgery on large animals
  - Country: France
