

## Curriculum Vitae

Personal information Daniel Roque

### Work experience

---

1. Employer: NORCHIM
  - Start date: 012002
  - End date: 092013
  - Position: Quality Assurance Manager
  - Activities: During 11 years, I was the Quality Assurance Manager of Norchim, a company involved in the production under GMP conditions (EU GMP Part II) of sophisticated Active Pharmaceutical Ingredients (APIs) for the pharmaceutical industry. I was responsible for the writing and update of quality-related documents (SOPs, protocols and reports), the management of quality issues (deviations, change control, OOS, internal audits, CAPAs and complaints), approval of product quality reviews, GMP trainings, equipment qualifications, cleaning validations, review of batch records and release of APIs. I was also in charge of the selection of the contract manufacturers, including laboratories (GMP audits and technical agreements).
  - Country: France
