

Curriculum Vitae

Personal information **Gergely Tasi**

Work experience

1. Employer: National Institute of Pharmacy and Nutrition
 - Start date: 112015
 - End date:
 - Position: GMP Inspector
 - Activities: Inspections
 - Country: Hungary
2. Employer: Ubichem Research Ltd.
 - Start date: 062014
 - End date: 102015
 - Position: Site Chief Chemist
 - Activities: Production of APIs for commercial and clinical trials according to GMP Supervising the work of the site preparative organic and analytical chemists and technicians in the field of API and late intermediate synthesis Checking and supervising synthetic/analytical development and evaluation reports Optimization of synthetic process steps, critical parameters determination Contact person for research & development and scale up _ pilot plant production Taking part in the preparation of GMP related documents, SOPs Organizing and participating teleconferences with foreign partners
 - Country: Hungary
3. Employer: Ubichem Research Ltd.
 - Start date: 122002
 - End date: 052014
 - Position: Head of Process Development Laboratory
 - Activities: Supervising the work of preparative organic chemists and technicians in the field of API and late intermediate synthesis; _ preparation of evaluation reports; _ optimization of synthetic steps of obtained procedures; _ writing of development reports; _ contact person for research & development and kilolab scale up _ pilot plant production; _ planning the experimental works;
 - Country: Hungary
4. Employer: Ubichem Research Ltd.
 - Start date: 121996
 - End date: 112002
 - Position: Head of Research and Development Laboratory
 - Activities: Supervising the work of technicians; literature search; accomplishment of preparative organic synthesis
 - Country: Hungary
5. Employer: Research Institute of Medicinal Plants
 - Start date: 091995
 - End date: 111996
 - Position: Chemist
 - Activities: Quality control (TLC; HPLC, including sample preparation with preparative column chromatography) analytical method development
 - Country: Hungary

Education and training

1. Subject: Eötvös Loránd University, Faculty of Natural Science
 - Start date: 091990
 - End date: 051995
 - Qualification: Chemist
 - Organisation: Specialization: Research of Pharmaceutical Chemistry
 - Country: Hungary
