

Curriculum Vitae

Personal information **Manuela Leitner**

Work experience

1. Employer: AGES Austrian Medicines Agency
 - Start date: 102018
 - End date: ongoing
 - Position: Clinical and quality Assessor, CVMP Alternate, NTWP member, SAWP-V member
 - Activities: Assessor for quality, safety and efficacy of veterinary biologicals, immunologicals and novel therapies, Assessor for safety and efficacy of veterinary medicines
 - Country: Austria
2. Employer: AGES Austrian Medicines and Medical Devices Agency
 - Start date: 042010
 - End date: 102018
 - Position: Quality Assessor
 - Activities: Biosimilars, biotechnologically derived recombinant products, plasma derived medicinal products, Plasma Master File
 - Country: Austria
3. Employer: AGES Austrian Medicines and Medical Devices Agency
 - Start date: 042006
 - End date: 042010
 - Position: Vice Head of Department for Biological Chemical Analysis
 - Activities: Official control authority batch release of plasma derived medicinal products
 - Participation in international cooperations (e.g. EDQM, NIBSC, PEI) for establishment of working standard preparations of coagulation factors, WHO Standard preparations, FEIBA Standard preparation
 - Country: Austria
4. Employer: CoaChrom Diagnostica
 - Start date: 082004
 - End date: 042006
 - Position: Key Account Manager
 - Activities: Coagulation and Fibrinolysis , Endotoxins
 - Country: Austria
5. Employer: Wyeth Whitehall Export GmbH
 - Start date: 082002
 - End date: 082004
 - Position: Drug Safety Officer
 - Activities: Pharmacovigilance
 - Country: Austria
6. Employer: University of Veterinary Medicine Vienna
 - Start date: 052001
 - End date: 052002
 - Position: Scientific Assistant at Institute of Histology and Embryology
 - Activities:
 - Country: Austria
7. Employer: University of Veterinary Medicine Vienna
 - Start date: 101999
 - End date: 032001
 - Position: Scientific Assistant at Clinic for Obstetrics, Gynaecology and Andrology
 - Activities:
 - Country: Austria

Education and training

1. Subject: University of Veterinary Medicine Vienna, Clinic for Obstetrics, Gynaecology and Andrology
 - Start date: 101999
 - End date: 042001
 - Qualification: Doctor of Veterinary Medicine
 - Organisation: Doctoral Thesis
 - Country: Austria
2. Subject: University of Veterinary Medicine Vienna
 - Start date: 101991
 - End date: 101999
 - Qualification: Master of Veterinary Medicine
 - Organisation:
 - Country: Austria
