### Other Relevant Information

I represented European patients and consumers in the Executive Steering Group on Shortages and Safety of Medicinal Products (MSSG) for 2 years, from March 2022 to April 2024.

I have been a member of ESMO (European Society for Medical Oncology) Patient Advocates Working Group for 2 years, from June 2017 to June 2019. I contributed to planning, managing and moderating the patient advocacy track of ESMO annual Congress for 2 years.

In 2002, I coordinated the project and contributed to the drafting of the European Charter of Patients' Rights.
