

## Curriculum Vitae

Personal information **Anna Sipkova**

### Work experience

---

#### Employment 2:

- Start date: 03/2019
- End date: present
- Position: Clinical trial assessor
- Employer's name: State Institute for Drug Control
- Country: Slovakia
- Activities: Assessment of the quality of chemical investigational medicinal products in clinical trial applications. Assessment of the clinical part of clinical trial applications for selected indications (dermatological diseases and inflammatory bowel diseases). Assessment of the statistical part of clinical trial applications. Assessment of the compliance of clinical trial applications with applicable EMA and ICH guidelines and other regulations. Preparation of assessment reports.

#### Employment 1:

- Start date: 10/2011
- End date: 12/2015
- Position: Researcher (10/2012-12/2015), Assistant (10/2011-08/2012)
- Employer's name: Faculty of chemical and food technology, Slovak technical university in Bratislava
- Country: Slovakia
- Activities: Research activities in the field of food microbiology, publications in the field, mentoring students, and leading laboratory exercises.

### Education and training

---

#### Education 3:

- Start date: 10/2007
- End date: 09/2011
- Qualification: Doctoral degree
- Institution: Faculty of chemical and food technology, Slovak technical university in Bratislava
- Country: Slovakia
- Subject: Food chemistry and technology

#### Education 2:

- Start date: 09/2005
- End date: 06/2007
- Qualification: Master degree
- Institution: Faculty of chemical and food technology, Slovak technical university in Bratislava
- Country: Slovakia
- Subject: Food technology

#### Education 1:

- Start date: 09/2002
- End date: 07/2005
- Qualification: Bachelor degree
- Institution: Faculty of chemical and food technology, Slovak technical university in Bratislava
- Country: Slovakia
- Subject: Food technology and biotechnology
