

Curriculum Vitae

Personal information Gianluca Antonio Romeo

Work experience

09/2015 – Present
Chemist Officer
Ministry of Health – Italy

- Quality assessor
- member of Quality defect group
- National contact point for the CAP sampling programme
- Coordinator of national post-marketing surveillance activities

03/2015 – 08/2015
Consultant
FAMAR – Milan, Italy

- Developed and implemented an integrated Health, Safety and Environment (HSE) Management System

01/2014 – 05/2014
Teacher
Liconti & Liconti – Reggio Calabria, Italy

- training in Food Commodity Science and Fundamentals of Microbiology
- classification and structural characteristics of microorganisms
- food microbiology, foodborne pathogens, infections, intoxications and foodborne diseases
- microorganisms responsible for food spoilage and beneficial microorganisms used in food production
- food preservation techniques, food classification, nutrients and their biological functions
- food production supply chains, food additives, preservatives and coloring agents

05/2013 – 05/2013
Trainer and Technical Advisor
Central Veterinary Laboratory (CVL) – Namibia

- Development and validation of laboratory analytical methods for the control of foodstuffs intended for human consumption
- Training of chemical laboratory technicians in analytical procedures, quality assurance practices and laboratory standards management

11/2010 – 12/2013
Chemical Analyst
Istituto Zooprofilattico Sperimentale dell’Abruzzo e del Molise – Italy

- Performed qualitative and quantitative chemical analyses on food matrices and veterinary medicines
- Supported laboratory testing activities in compliance with regulatory and quality standards

01/2010 – 06/2010
Pharmacist
Farmacia Lofaro – Reggio Calabria, Italy

- Dispensing medicines and counselling patients
- Supporting pharmaceutical operations and regulatory compliance

Education and training

- 04/2021 - Training Course - Using recombinant factor C for bacterial endotoxin testing in the Ph. Eur. EDQM Council of Europe
- 03/2021 - Training Course - Chemical risk (16 hr). Istituto Zooprofilattico Sperimentale Abruzzo & Molise “G.Caporale” – Via Campo Boario, 64100 Teramo
- 10/2019 - Training Course "Quality of immunological veterinary products: revised requirements for extraneous agent testing" Paul-Ehrlich-Institut (Germany)
- 09/2019 - Training Course “Pharmacokinetic/Pharmacodynamic Modelling: Principles and Application in Vet Medicine” (Mod.2) MEB, Netherlands

in collaboration with the University of Utrecht and ANSES, France - (Netherlands)

- 06/2019 - Training Course "Pharmacokinetic/Pharmacodynamic Modelling: Principles and Application in Vet Medicine" (Mod.1) MEB, Netherlands in collaboration with the University of Utrecht and ANSES, France - (Netherlands)
- 10/2018 - Training Course "Evaluation of active substance and drug product documentation" National Institute of Pharmacy and Nutrition (OGYÉI) (Hungary)
- 09/2018 - "QWP Training for Advanced Quality Assessors" - European Medicine Agency - EMA (United Kingdom)
- 11/2017 - Training Course "Pacchetto Igiene" - Ministero della Salute - Direzione Generale della Sicurezza Alimentare - Roma
- 03/2017 – 10/2019 - "Advanced course in English language" - Ministero della Salute - Direzione Generale della Sicurezza Alimentare - Roma
- 16/11/2017 - Workshop "Farmacovigilanza Veterinaria" - Ministero della Salute - Direzione Generale della Sicurezza Alimentare - Roma
- 23-27 /01/2017 - Training Courses on "principles and methods of food safety risk assessment" - Consumers, Health, Agriculture and Food Executive Agency, CHAFEA (Italy)
- 5 – 6/11/2013 - Training Course "GC, Sistemi GC-ECD, GC-FID" - Istituto Zooprofilattico Sperimentale Abruzzo & Molise "G.Caporale" – Via Campo Boario, 64100 Teramo
- 30/01/2013 – 01/02/2013 - Training Course "Il sistema qualità nei laboratori di prova" - Centro Internazionale per la Formazione ed Informazione Veterinaria "Francesco Gramenzi" (C.I.F.I.V.) presso Colle atterrato, Teramo
- 03/2010 – 05/2010 - "Arabic language course – A1" - Università per stranieri "Dante Alighieri" Via del Torrione, 89123 Reggio Calabria
- 10/2009 - "Degree in chemistry and pharmaceutical technology" - Università degli studi di Messina - Italy

Additional information

Publications

2025-02-10 - Food Control

Food safety concerns regarding pyrrolizidine alkaloid contamination in tea and honey from Italy: exposure levels and health risk implications

DOI: 10.1016/j.foodcont.2025.111388

2024-04-08 - Animals

Content of Toxic Elements (Arsenic, Cadmium, Mercury, Lead) in Eggs from an Ethically Managed Laying Hen Farm

DOI: 10.3390/ani14071133

2023-08-17 - Environmental Science and Pollution Research

Rare earths and other elements content in hen eggs sold in Italy: comparison among main types of farming methods and consumer's health risk assessment

DOI: 10.1007/s11356-023-29207-z

2022-12-09 - Antimicrobial Resistance and Infection Control

Wastewater-based surveillance in Italy leading to the first detection of mcr-10-positive *Klebsiella quasipneumoniae*

DOI: 10.1186/s13756-022-01194-9

2022-06 - Veterinary Sciences

Occurrence of Histamine in Commercial Cat Foods under Different Storage Conditions

DOI: 10.3390/vetsci9060270

2021-09-02 – Animals

The Relationship between Animal

Projects

Twinning O.I.E. Project in the field of food safety between the Istituto "G. Caporale" and the Namibian Central Veterinary Institute Toxicology Department

Expert supporting the Veterinary Drug Advisory Section

Memberships

- *May 2025* – Master: "Scienze regolatorie e accesso al mercato di prodotti ad attività terapeutica e salutare: medicinali, dispositivi medici, cosmetici e integratori alimentari" *Dipartimento di Scienze Farmaceutiche dell'Università degli Studi di Milano*
- *May 2024* – Master: "Scienze regolatorie e accesso al mercato di prodotti ad attività terapeutica e salutare: medicinali, dispositivi medici, cosmetici e integratori alimentari" *Dipartimento di Scienze Farmaceutiche dell'Università degli Studi di Milano*
- *Congresso della Divisione di Chimica Analitica della Società Chimica Italiana - Palazzo D'Avalos, Città del Vasto (CH)*

17-21 September 2023 - HEPATIC CONCENTRATIONS OF RARE EARTH ELEMENTS IN DOMESTIC DOGS AND APENNINE WOLVES FROM CENTRAL ITALY

M. Bellocchi, S.V.P Defourny, C. Merola, R. Salini, V. Melai, G. Romeo, L. Lomellini, A. Coccaro, G. Scortichini, A. Petrini
Università degli Studi di Teramo; Istituto Zooprofilattico Sperimentale dell'Abruzzo e Molise "G. Caporale"

17-21 September 2023 - DETECTION OF PERFLUOROALKYL COMPOUNDS IN FOOD MATRICES: ANALYTICAL ISSUES AND FUTURE CHALLENGES

M. Leva, S. D'Antonio, A. De Benedictis, G. Di Bernardo, G. Diletti, G. Romeo, G. Scortichini, G. Tammaro, R. Ceci Istituto
Zooprofilattico Sperimentale Dell'Abruzzo e Molise "G. Caporale"

- *September 2023* - Corso di alta formazione in logistica farmaceutica: "Autorizzazione all'immissione in commercio e controllo dei medicinali veterinari" *Dipartimento di scienze del farmaco - Università di Padova*

Other Relevant Information

- Internal member of the Veterinary Medicines Advisory Committee
- Member of the Veterinary Medicines Quality Defects Assessment Group
