Projects

06/2019
TAIEX Expert Mission on Building CALIMS(CimMED) capacities for regulatory aspects of well established use

Participation as a lecturer. The aim of the project was to build and strengthen internal capacities of the Agency for Medicines and Medical Devices Montenegro in regulatory aspects of applications made under Article 10a of Directive 2001/83/EC - well established use applications. The topic was covered through several days of lectures and practical examples.

04/2022

Twinning project: "Support to the Institute for Medicines and Medical Devices of Montenegro (CInMED)", Twinning

Grant Contract Number: MN 16 IPA HE 01 20

Conducting training for

- assessment of clinical and nonclinical documentation for medicinal products
- classification and assessment of 'border-line' products
- assessment of herbal and homeopathic medicinal products
- safety and efficacy assessment of well-established use (WEU) applications
