

Curriculum Vitae

Personal information **Christine Young**

Work experience

Scientific Officer - Training Development

Health Products Regulatory Authority, Ireland | 09 Mar 2026 - Present

- Liaising with SME's to produce specialised digital training modules under the remit of the IncreaseNet project.

Tutor - STEM Education (Part-Time)

Dublin City University, Ireland | Jan 2026 - 06 Mar 2026

- Supported full-time academic staff and corrected student coursework and assignments.

Written Examiner - Leaving Certificate Chemistry

State Examinations Commission, Ireland | Jul 2025- Jul 2025

- Assessed national exam papers using online correction software.
- Applied marking schemes with consistency and precision.
- Maintained contact with supervising examiner to ensure standardisation.

Substitute Teacher

Lusk Community College, Ireland | Feb 2025 - May 2025

- Delivered lessons across multiple subjects on an as needed basis.
- Maintained student engagement and wellbeing in accordance with school policies.

Jewellery Maker (Part-Time)

LuLu & Belle, Ireland | Jun 2024 - Apr 2025

- Produced bespoke gold and silver jewellery with precision.
- Skills included: Metal cutting, hand stamping, polishing, wire wrapping, jewellery cleaning and customer service, point of sales proficiency.
- Supported customer service, sales, and order fulfilment.

Lecturer & Tutor - STEM Education (Part-Time)

Dublin City University, Ireland | Feb 2022 - Apr 2025

- Developed and taught undergraduate science education content.
- Tutored students on practical teaching skills via microteaching.

Post-Primary Teacher

Clonturk Community College, Ireland | Aug 2019 - May 2024

- Taught Junior Cycle Science, Senior Cycle Chemistry & Biology.
- Head of Science and Health & Safety Officer (Assistant Principal II from May 2021- Oct 2023).
- Coordinated schoolwide training and procedures for fire safety.

Trainee Teacher & Casual Substitute Teacher

Donabate Community College, Ireland | Aug 2018 - May 2019

Loreto College Swords, Ireland | Aug 2017 - May 2018

- Completed teaching placements in Science, Chemistry, and Biology.
- Acted as State Exam Superintendent for LCVP and Junior Cycle exams.

Quality Control Laboratory Analyst

AbbVie, Ireland | Jan - Jul 2017

- Performed raw material and finished product testing under Good Laboratory Practice (GLP)/GDP standards.
- Additional laboratory skills included: HPLC, GCMS, Dissolution testing.
- Developed new laboratory notebook designs to streamline testing processes and trained junior staff.

Quality Control Sample Management Analyst

Pfizer Ireland Pharmaceuticals, Ireland | Sep 2015 - Dec 2016

- Managed intake, processing and documentation of production and laboratory samples.
- Department Safety Champion; oversaw GMO waste handling.

Research Scientist

Dublin City University, Ireland | Sep 2014 - Aug 2015

- Designed experiments, managed lab operations, and prepared grant proposals.
- Laboratory skills/procedure included: Cell culture, RNA/DNA extraction, Western Blots, Biochemical Assays, ELISA, Gel Electrophoresis, Bacterial culture, Aseptic technique, Microscopy, PCR.
- Presented research and handled chemical waste management.

Quality Control Laboratory Analyst

AbbVie, Ireland | Jan 2014 - Sep 2014

- Performed raw material and cleaning validation testing under GLP/GDP standards.
- Laboratory skill/procedures included: Karl Fichser titration, Heavy metal testing, IR/UV Spectroscopy, Combustion Analysis, and Conductivity/pH testing.

QA Complaints Assistant

AbbVie | Oct 2013 - Jan 2014

- Examined and processed medical device complaints.
- Assisted with documentation management and requests.
- Data entry and verification.

Manufacturing Technologist

Pfizer Ireland Pharmaceuticals, Ireland | Mar 2012 - Aug 2012

- 6-month work placement as part of DCU course (3rd Year).

- Trained in various bio-processing procedures such as cleanroom techniques, manual handling, sample management, production processes and Good Documentation Practice (GDP).
- Conducted investigations and wrote deviation reports using the Lean Six Sigma Programme.
- Data entry and verification of batch records.

Education and training

Visual Design Using Adobe Photoshop – Adobe | October 2025 to March 2026

Adobe Certification valid until March 2029

eCollege/Cenit College, Ireland

- Gained practical visual design skills for digital and print learning materials, including layout, graphics, text, and preparing professional-quality outputs.

ICDL Artificial Intelligence – ICDL | Jan to Feb 2026

ICDL Certification

eCollege/Cenit College - accredited by ICDL, Ireland

- Developed an understanding of AI principles, organisational use cases, and the ethical, social, and educational implications of AI adoption.

ICDL Coding Principles (Python) – ICDL | October 2025 to Jan 2026

ICDL Certification

eCollege/Cenit College - accredited by ICDL, Ireland

- Applied computational thinking and basic Python programming to problem-solving, algorithm design in varied contexts.

Professional Master of Education (PME) – Post Primary

Dublin City University, Ireland | Sep 2017 – April 2019

- Professional qualification for post-primary teaching. Pedagogical methods, research methods, history of education etc.

Bachelor of Science (Hons) in Analytical Science

Dublin City University, Ireland | Sep 2009 – April 2013

- Practical and theoretical modules on biology, chemistry, analytical techniques and research methods.
