# Portfolio & Technology Meetings

---

Introduction to the revamped Business Pipeline Meetings

Presented by Enrico Tognana on 04 December 2023

Business Analysis & Forecasting

Innovation and Development Accelerator - Regulatory Science and Innovation Task Force

An agency of the European Union

- ❑ Relevance of the BPMs
- ❑ Why revamp the platform
- ❑ Overview of the changes

## Relevance of BPMs

- ❑ Awareness of portfolio and emerging technologies for network preparedness
- ❑ Knowledge sharing and joint brainstorming on upcoming challenges
- ❑ Helicopter view of major trends by therapeutic area to inform resource allocation
- ❑ Insight on scientific and regulatory hurdles affecting pipeline development

## Why revamp the platform

- ❑ Transparency
- ❑ Cast the net wider – reach new stakeholder
- ❑ Horizon scanning
- ❑ More emphasis on innovative developments, technologies and expertise needs
- ❑ Focus dialogue on EMAN strategy topics
- ❑ Optimise experts participation and discussions on relevant topics
- ❑ Improve knowledge sharing across the EU network

## Overview of the changes

- ❑ Transparency - use of the Agency's website as primary interaction tool
- ❑ Annual call for expression of interest
- ❑ Internal review and prioritisation – maximise impact
- ❑ More proactive engagement of regulators – questions and topics of interest to the network
- ❑ Emphasis on horizon scanning – include emerging enabling technologies

# Thank you for your attention
