

EUROPEAN MEDICINES AGENCY  
SCIENCE MEDICINES HEALTH

9 October 2025

To enhance the transparency on the work of the Expert Panels, the list below shows the CECP opinions issued by the Expert Panels for medical devices undergoing conformity assessment. These CECP opinions will be published once the conformity assessment for the listed medical devices is finalised by the NB, and the list updated accordingly.

| Date of opinion | CECP dossier number | MD type – EMDN level 3 | Risk class/type       | Medical area                                             | Reason for opinion (criterion 1, 2, 3) |
|-----------------|---------------------|------------------------|-----------------------|----------------------------------------------------------|----------------------------------------|
| 05/12/2023      | EMA/EX/0000137387   | P0802                  | class III implantable | Nephrology, urology                                      | Criterion 1                            |
| 13/05/2024      | EMA/EX/0000171363   | P0912                  | class III implantable | Orthopaedics, traumatology, rehabilitation, rheumatology | Criterion 2                            |
| 21/06/2024      | EMA/EX/0000175268   | P9002                  | class III implantable | General and plastic surgery, dentistry                   | Criterion 2                            |
| 09/11/2024      | EMA/EX/0000228672   | P0901                  | class III implantable | Orthopaedics, traumatology, rehabilitation, rheumatology | Criterion 1                            |
| 12/11/2024      | EMA/EX/0000226097   | C0104                  | class III implantable | Circulatory system                                       | Criterion 1                            |
| 13/12/2024      | EMA/EX/0000232552   | P0704                  | class III implantable | Circulatory system                                       | Criterion 1                            |
