# Objectives - Training session for patients and consumers involved in EMA activities, 29 November 2016

---

Presented by: Isabelle Moulon  
Head of Public Engagement Department  
Stakeholders and Communication Division

An agency of the European Union

# Annual EMA Training Day

Format:

- Interactive hands-on sessions
- Real examples
- Along life cycle of medicine

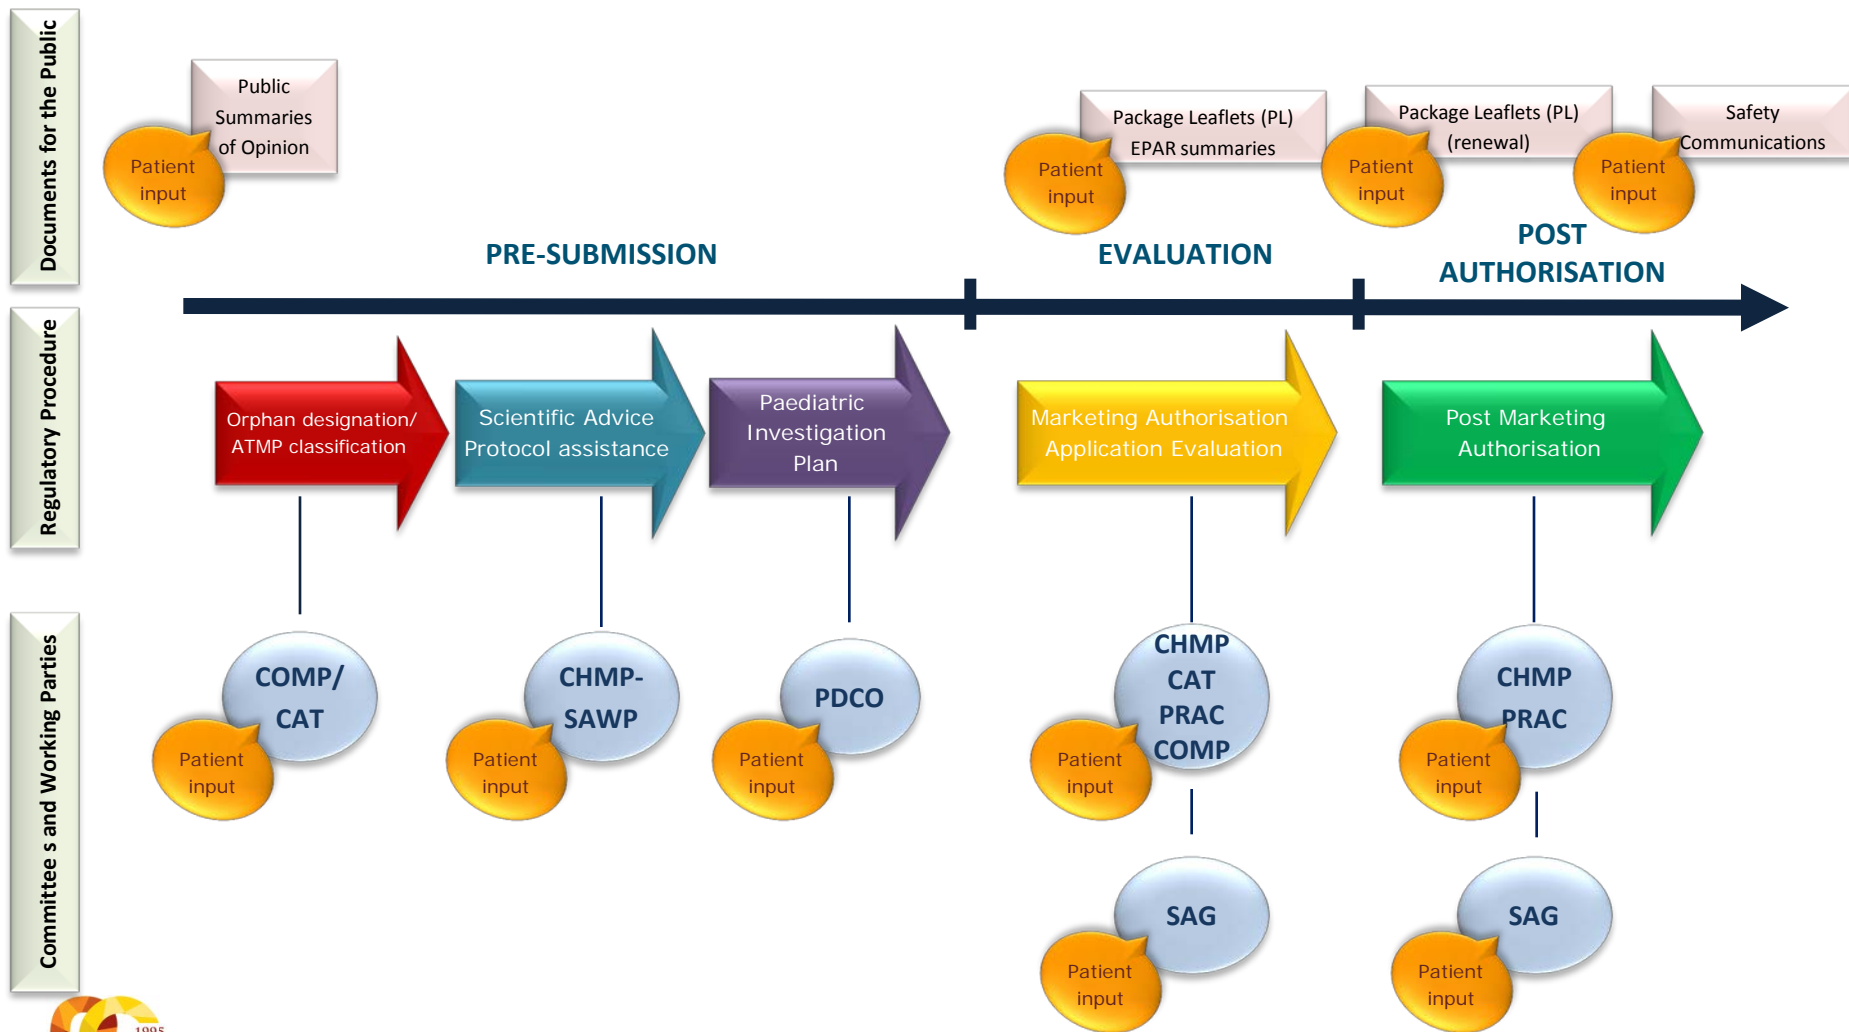

## Objectives:

- To gain an understanding of the process of medicines evaluation in Europe; how medicines are evaluated and continually monitored for safety.
- Using a hands-on approach, participants will see where and how patients/consumers are consulted in these processes and to learn more about where and how they can be involved.
