

EUROPEAN MEDICINES AGENCY  
SCIENCE MEDICINES HEALTH

12 March 2026  
EMA/437396/2023, version 5<sup>1</sup>  
Veterinary Medicines Division

## APPENDIX I

List of details of the national reporting systems to report adverse events (side effects) for use in section 3.6 “Adverse events” of SPC and section 7 “Adverse events” of package leaflet

No reference to the Appendix I should be included in the printed packaging materials. **Only** the actual details of the national adverse event (pharmacovigilance) reporting system (as listed within this Appendix I) of the concerned Member State(s) shall be displayed on the printed version.

Bracketing convention:

[text]: For guidance only. This text should not be included on the printed packaging materials.

---

<sup>1</sup> Version 5: BE details updated (March 2026)  
Version 4: All Member States details update (November 2024)  
Version 3: DE and RO details updated (Mar 2023)  
Version 2: HU and ES details updated (Nov 2022)
